Dear Mrs. Olson:

Your letter postmarked November 21, 1960, and enclosure have been received, and I am pleased to know of your interest in my book, "Masters of Deceit." I am forwarding to you, under separate cover, additional publications on the subject of communism available for general distribution by the FBI.

Although I would like to be of service, I am unable to answer your inquiries since the FBI is strictly an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope you will not infer in this connection either that we do or that we do not have related data in our files.

Sincerely yours,
J. Edgar Hoover

Dear Sir:

I have read the book "Masters of Deceit" and am concerned about the dangers of communism.

I have been handed this piece ofliterature which I am enclosing and wonder what this Cinema Educational Guild, Inc. is and whether it is a communist frront. This article sounds to me like something the communists might print.

Also I have some literature put out by the DAR and wonder if the DAR is communist controlled.

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, **under the "Genocide Treaty" provisions,** you could not choose an American lawyer to defend you — **the UN would appoint your defense lawyer** . . . . nor, **under that provision,** could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — **and the U. S. Government could do nothing to prevent it!**

Thus it is clearly obvious that the **real** objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a **UN One-World Government.** Once our Senate would ratify the **"Genocide Treaty"**, or its twin, the **"Covenant of Human Relations"**, the UN would find a hundred ways to twist your opposition to **"One-World Government"** into an **"act of Genocide"** — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — **and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?**

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — **before it is too late** — by sending **signed** copies of this document, **to act as an urgent "Petition"**, to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us **out of it.**

THE "GENOCIDE" PLOT

TRACT

—o—

Flash... FLASH ... FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

—o—

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"! . . . .

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — **because under our Constitution a Treaty becomes the Law of the Land.**

—o—

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, **architect of the UN,** arrived in Washington with the UN Charter he called in the

62 [illegible]

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . . ."

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! . . . . What big-hearted generosity ! ! !

Anyway, **that** was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the **controlled Press and Radio** repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, **and more,** with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a **completely compulsory** jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention and Punishment of the Crime of Genocide" . . . .** the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, **so they said,** to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany . . . . **the records show that there were never more than 600,000 Jews in all of Germany** — but six million sounds more impressive, so the UN insists upon **six million.**

Now, first of all, **bear in mind** that under the "GENOCIDE TREATY", **when and if our Senate will ratify it,** all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . . ." also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

—o—

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", **always stressing Hitler's murder of the "SIX MILLION" Jews.** But, as we go through all the **fine print** in the Treaty, we find that you wouldn't have to participate in the **mass murder** of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . . then, lo and behold, we discover that you wouldn't have to **even** go as far as **killing** to be guilty of "Genocide", for if you caused **"physical or mental injury"** to a "minority group" member you would be just as guilty of "Genocide" as if you had killed **"six million"** Jews or Negroes — **(Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).**

In other words, **under that provision,** if you got into a fist fight with a Jew or Nego and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him **"mental anguish",** and that **"anguished"** minority group member could bring a charge of "Genocide" against you. Thereupon, **under the "Genocide Treaty" provisions,** the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS – No. 3

(THE REDS ARE BACK IN HOLLYWOOD!!!)

Published By Cinema Education- al Guild, Inc.

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway—**and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-29

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars — **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "'righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!**— and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — **and warn them** — so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

The following taken from "UN Tract No. 1" shows why we must get the U.S. out of the United Nations and the UN out of the U.S.:

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theater in Washington, D.C.

The play was written for just one purpose—to warn the American people that the Yalta plotters created the UN to destroy the U. S. and transform our country into an enslaved unit of a Communist One World Government. . .it was produced in Washington so as to put the UN on open trial before all the Members of Houses of Congress.

"Thieves' Paradise" revealed all the different phases of the diabolical plot—how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a sanctuary for Red spies, saboteurs and American traitors. . .how it was to destroy our Freedoms through "Treaties," such as "Genocide" . . .to brainwash our youth through UNESCO. . .to drain us of our wealth through UNRRA, "Marshall Plan" and Foreign Aid give-aways. . .But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was permanently to be held by a Moscow Communist.

The following dialogue from "Thieves' Paradise":

"Stefan:—'When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russ appointed by Moscow. The first such Chief was Avkady Sobelov.'

"Rita:—'I know. . .'

"Stefan:—'But do you know why Moscow wanted that arrangement?' (Rita shakes her head — Stefan explains) 'To be prepared, if the UN would have to interfere in any Communist attempts to grab free states their man would have charge of that interference and . . '

"Rita:—(Breaks in) 'and their man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces?

"Stefan:—'Exactly. That's . . . movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval.

"Rita:—'And, of course, Sobelov promptly relayed it to Moscow!

"Stefan:—'And Moscow promptly relayed it to the Red Commanders in North Korea'."

"Rita:—'Good Lord, how stupid can these Americans be?'

"Stefan:—'But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the UN—and in June, when the North Koreans came slashing through the Vasiliev defenses on the thirty-eighth parallel their real Commander-in-Chief was General Vasiliev — Still on Leave of Absence from the United Nations!"

"Rita (Grimly)—'So all those American boys who were killed in Korea were really murdered by the UN!"

"More than 200 Senators and Representatives saw "Thieves in Paradise". . .Scores said. . ."If the UN does not file a criminal libel suit and disprove the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . .they didn't dare. Any American citizen promoting the UN is working for the enslavement of

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway—**and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars **— and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**... they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever **— even the Charlie Chaplin pictures are on the Screens again!—** and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood **— by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room**—and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms **. . . Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products**—and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize **— and warn them —** so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about **"rights"** and **"terms of the Charter"**: Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — **he also confirmed its permanency!** After that, says Mr. Lie **". . . it would not have been politic for me to resist that (secret agreement) accord."**

He then reveals what little authority he had in all such matters, even in the **choice** of the Russian to fill that all-important post, although, **under the Charter,** he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that **"his was not to reason why, his was but to obey** — OR GET FIRED!

WE NOW HAVE THE PROOF ! ! !

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—**evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless **"the people"** DEMAND that they act — and the people won't DEMAND until they know **what** to DEMAND. Senator Jenner said: **"Our problem is to get the story to the people"** — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — **coupled with Tract No. One!**

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

Save your boy from another Korea—Save America ! !

Do it now — TODAY — you may forget if you put it off to tomorrow.

1959 - UN TRACT No. 2 - 1959

THE TRUTH... ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

—•—

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" **to prevent Communist aggression** (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, **they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee!** GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGESSIONAL RECORD", and demanded that the UN be hauled up for a thorough **(open to the public)** hearing by the properly constituted Congressional Committee – and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get **"the people"** to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we **quoted** sections of **"U. S. Government (TOP SECRET) Bulletins"** which OFFICIALLY confirmed all those charges . . . **Those TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a **"leave of absence"** from his UN job as Chairman of the UN Military Staff – TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL the American boys who died in Korea were MURDERED by the UN – **as a result of that Hiss-Molotov secret agreement ! ! ! . . .** they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

—•—

Very quickly a half-million copies of that "Tract" were circulating through the nation – thousands upon thousands came pouring into Washignton . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken – they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable – **and that would mean the end of the UN ! ! !** . . . And then the State Department came to the rescue of the Conspirators – they issued an **"official statement"** in which they denied our charges – and virtually proclaimed that their own original **"U. S. Government (TOP SECRET)** Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts – **and the State Department** – flooded the nation with that false and misleading **"official statement"!**

Now, get this point: in their denials, those **"official statements"** never once **named** the "charges" they denied – they operated on the theory that if they could cast a doubt on any one charge it would discredit **all** charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce **DOCUMENTARY evidence that such an agreement had ever been made!**

That strategy worked perfectly! **And why not?** After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS – surely **they** wouldn't be guilty of deliberate falsehoods! **Oh, no?** Anyway, "the people", **confused,** believed **them.** The demands (Tracts) for a Congressional investigation died down to a whisper – the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them–to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov – Stettinius and Vyshinsky – and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit – **maybe to clear his conscience.** Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement – the following is his **(verbatim)** statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' – he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "**. . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won**

Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General – **or a Julius Rosenberg.** For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For **their** acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle – **or that was meted out to the Rosenbergs!**

Only Congress has the power to place a Supreme Court Justice on trial – via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress **to fulfill their oaths** – to summon forthwith for proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR *IMPEACHMENT*

For giving aid and comfort to the **COMMUNIST CONSPIRACY**, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

—•—

Also wanted for trial and impeachment, **on the same charge,** are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

—•—

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites **— and thus mongrelize the American White Race!**

Documentary proof that this "Decision" **directly** conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . . the ADL and NAACP were created immediately after that — **to carry out that DIRECTIVE!**

—•—

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — **"Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . . ."**

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND ! ! !

Furthermore, **by his own admission,** Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the **"modern scientific authority"** of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . . There is one sure way to find out — **through impeachment proceedings!**

—•—

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — **and to gain access to its files!** But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — **if the Great Conspiracy was to succeed the FBI had to be destroyed!**

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . . they freed convicted traitors . . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . . **they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!**

Those **three** Decisions, **if allowed to stand,** will completely destroy all of our defenses — **they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!**

—•—

Under our laws, giving aid and comfort to an

but they will continue to commit that treason **until we, the American people, stop them!**

There is only one way to stop them — remove them from the high offices that enable them to commit that treason, via IMPEACHMENT! The impeachment proceedings and hearings will establish whether they are innocent or guilty.

Our Constitution states that:

"The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to . . . **"consist of levying war against them** (the US), **or in adhering to their Enemies, and for GIVING THEM AID AND COMFORT"** . . . it also declares that . . . **"Congress shall have the Power to declare the punishment of Treason"** . . . whether committed by a President, a Vice President, a Senator, or a Supreme Court Justice!

And in Article One, Section Three, the Constitution states: **"The Senate shall have the sole power to TRY all Impeachments . . . Judgment in Cases of Impeachment shall not extend further than to removal from Office and disqualification to hold and enjoy any office of Honor, Trust, or Profit under the United States . . . BUT THE PARTY CONVICTED SHALL NEVERTHELESS BE LIABLE AND SUBJECT TO INDICTMENT, TRIAL, JUDGMENT AND PUNISHMENT, ACCORDING TO LAW".**

—•—

Fellow American, the United States belongs to the American People, not to the men to whom WE have given their high offices. Repeal of the CONNALLY AMENDMENT would be **High Treason** to the U. S. and the American people . . . **and every individual who attempted it must be tried in accordance with the rulings of our Constitution!** . . . and it is the sacred duty of ALL loyal Americans to our Country — **and to their own children** — to DEMAND such action from their Senators and Representatives.

And to these Americans who insist that Eisenhower **"can do no wrong"**, we say: LET CONGRESS DECIDE IT — the way our Constitution tells us to have it done.

—•—

NOTE: A complete exposition of the entire "World Court" plot, and the dire consequences of the repeal of the "Connally Amendment", can be found in the CEG "News-Bulletin" No. 73, by Myron C. Fagan. You can get a copy of this startling book by sending Fifty-Cents to "Cinema Educational Guild, Inc."

Every member in both Houses of Congress has a **sworn** obligation to protect and defend the United States, the Constitution, the American people . . . . Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to **fulfill their oaths** — to summon **forthwith** for proper trial all those named herein who collaborated in the plot to repeal the CONNALLY AMENDMENT.

"WORLD COURT" Tract

—•—

~~U. S. A.~~

ABOLISHED
BY
DECISION
OF
UN WORLD COURT!

—•—

That is what will happen if the CONNALLY AMENDMENT will EVER be repealed ! ! !

★ ★

The **CONNALLY AMENDMENT** is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government ! ! !

★ ★

To Save Our Country, we must

IMPEACH

All those who attempted — **and are still plotting** — to repeal the CONNALLY AMENDMENT . . . read — **and digest** — the following and you will see why it is a MUST.

—•—

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT – but particularly to transform the United States into a unit of that One-World Government . . . **because as long as the United States remains free they can never achieve their plot ! ! !**

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER **without reading it!** Why? . . . We don't know – **but that is how it was done!**

In that CHARTER the conspirators inserted several crafty provisions – provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT – and to transform the U. S. into a unit of that "government" . . . **without the American people knowing it, or realizing it, until it was a fait accompli – and from which we could not pull out ! ! !**

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", **answerable only to the UN,** is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices – **all appointed by the UN, without approval by the U. S.** . . . Ostensibly, this "Court" was to have jurisdiction **only** of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal – in short, of all our Domestic affairs, as well as Foreign – **and there could be no appeal from its "Decisions" ! ! !**

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in Paris, or in Bombay, by a Tribunal designated by the "World Court" – and he could not appeal to **our** Constitutional Laws—or be defended by an American lawyer – **and the United States could do nothing about it** . . . and GET THIS: the jurisdiction of the "World Court" would include . . . **"the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter"** . . . and, of course, **criticism** would be an "offense" ! ! !

And there you are – that's why, once we'd be engulfed, **by "World Court" DECISION,** in the UN One-World Government we could never pull out . . . **who would dare to commit the "offense" of protesting?**

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" – and on December 17, Congressman Herter (now Secretary of State) submitted a similar "Resolution" to the House . . . **and again the Senators were about to ratify that "Resolution" without reading it!**

But, by the grace of God, Sen. Tom Connally DID read it – and saw in it the complete surrender of the U. S. to the UN, **via the future "DECISIONS" of the UN's "World Court" ! ! !** And, **in the nick of time,** he quietly insisted upon the addition of **six little words** that were to protect the United States from the "World Court" future "DECISIONS" – those **"six little words"** were : . . . **"as determined by the United States."**

And THAT is the Connally Amendment . . . **it is the only thing that has kept – and is keeping – the United States from becoming an enslaved province in a United Nations "One-World Government".**

Yet, our President, Dwight D. Eisenhower, DEMANDS that the Connally Amendment, **our only safeguard,** be repealed . . . Vice President Nixon, U. S. Attorney General Rogers, Secretary of State Herter and Senators Morse, Humphrey, Javits and Clark demand that it be repealed – **that the "UN World Court" be granted full and COMPULSORY jurisdiction over the U. S. and the American people ! ! !**

Well, REMEMBER THIS WARNING: If the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" – and then . . . **in order to give the UN the "POLICE FORCE" it will need to enforce PEACE . . .** there will be more "World Court" DECISIONS that will require **(polite word)** the U. S. to transfer **(surrender)** our Armies, our Navies, our Air Force our Nuclear weapons to the UN . . . **exactly in line with Eisenhower's "Disarmament" program** – and his plans to **"strengthen the United Nations" ! ! ! . . . And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence – the end of a free United States** and a FREE American people!

Dwight D. Eisenhower KNOWS all that – Nixon, Rogers, Herter, Morse, Clark and Humphrey KNOW it . . . they KNOW that they are betraying their oaths to protect and defend our Constitution – that they are betraying the American people . . . **they KNOW that repeal of the Connally Amendment will open the gates of America to the Enemy,** exactly as Quisling opened the gates of Norway to Hitler's Nazi hordes . . . they KNOW that it is TREASON –

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, **under the "Genocide Treaty" provisions,** you could not choose an American lawyer to defend you — **the UN would appoint your defense lawyer . . . .** nor, **under that provision,** could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — **and the U. S. Government could do nothing to prevent it!**

Thus it is clearly obvious that the **real** objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a **UN One-World Government.** Once our Senate would ratify the **"Genocide Treaty"**, or its twin, the **"Covenant of Human Relations"**, the UN would find a hundred ways to twist your opposition to **"One-World Government"** into an **"act of Genocide"** — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — **and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?**

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — **before it is too late** — by sending **signed** copies of this document, **to act** as an **urgent "Petition"**, to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us **out of it.**

THE "GENOCIDE" PLOT

TRACT

—•—

Flash . . . FLASH . . . FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

—•—

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"! . . . .

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — **because under our Constitution a Treaty becomes the Law of the Land.**

—•—

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, **architect of the UN,** arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . . ."

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! . . . . What big-hearted generosity ! ! !

Anyway, **that** was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the **controlled Press and Radio** repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, **and more,** with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a **completely compulsory** jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention and Punishment of the Crime of Genocide"** . . . . the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, **so they said,** to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany . . . . **the records show that there were never more than 600,000 Jews in all of Germany** — but **six million** sounds more impressive, so the UN insists upon **six million.**

Now, first of all, **bear in mind** that under the "GENOCIDE TREATY", **when and if our Senate will ratify it,** all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . . ." also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

—•—

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", **always stressing Hitler's murder of the "SIX MILLION" Jews.** But, as we go through all the **fine print** in the Treaty, we find that you wouldn't have to participate in the **mass murder** of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . . then, lo and behold, we discover that you wouldn't have to **even** go as far as **killing** to be guilty of "Genocide", for if you caused **"physical or mental injury"** to a "minority group" member you would be just as guilty of "Genocide" as if you had killed **"six million"** Jews or Negroes — **(Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).**

In other words, **under that provision,** if you got into a fist fight with a Jew or Nego and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him **"mental anguish"**, and that **"anguished"** minority group member could bring a charge of "Genocide" against you. Thereupon, **under the "Genocide Treaty" provisions,** the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

Why we MUST get the U.S. out of the UN — and the UN out of the U. S.

that

UN is PLANNED DEATH - TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . **"All the American Boys who were killed in Korea were really murdered by the UN."**

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . . it was produced in Washington so as to put the UN on **open trial** before all the Members of Both Houses of Congress — from now on there can be no **"I didn't know" alibis!**

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . . to brainwash our Youth through UNESCO . . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Synghman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . . so Alger Hiss and Molotov entered into that secret agreement — **with Trygvie Lie in on the secret!**

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?

"STEFAN: — Exactly! That's what happened in Korea. General MacArthur was Commander-In-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Visiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . . "If the UN does not file a **criminal libel suit** and **DISPROVE** the horrifying **charges in this play they are guilty of the most heinous crime ever committed against the American people!"**

The UN did **not** file a libel suit . . . **they didn't dare** . . . . because **their own records** show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post **continuously** from 1945 to 1951 . . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same **UN records** show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him **sole** command of all UN military affairs! ! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) **"Special agreements under article 43 of the United Nations Charter"** **(marked "TOP SECRET")**, reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . . and (under UN Regulations) **"all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations"** . . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

Your letter of November 7, 1960, has been received, and I was glad to learn that my book has become available in your area.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry.

I would like to point out that some of Mr. Fagan's literature of the Cinema Educational Guild, Inc., has contained information that the records of the persons named could be documented in the files of the FBI, among other agencies. I can assure you that neither Mr. Fagan nor any of his associates have had access to the files of the FBI. NOTE: Bufiles indicate Cosgrove's letter of 9-25-60 was acknowledged and in following up his complaint that "Masters of Deceit" was not available in his area, a letter was forwarded to the publishers. Prior letter was forwarded on blue stationery. He has not received the literature being currently sent. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its director, has, in the past, attempted to use the Director's name in furtherance of his programs and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. Your letter of November 14, 1960, with enclosure, has been received.

In response to your inquiry concerning "Operation Abolition," this film, which is distributed by the House Committee on Un-American Activities, is an account of the communist-inspired San Francisco riots, which are also detailed in my article, "Communist Target--Youth." You may desire to write directly to the House Committee relative to arrangements for securing it.

Re: Literature - "RED STARS - NO. 3"
put out by Cinema Educational Guild, Inc.
Box 46205, Hollywood 46, California

Gentlemen:

I am enclosing a tract "Red Stars - No. 3". In reading this I was quite alarmed at the number of people whose names were mentioned as having affiliations with the Reds. I was going to order some extra copies of this leaflet and distribute them for the good of America, but before doing so, I would like to know if this leaflet has been checked by members of the FBI and if in the opinion of the FBI, the names of the prominent persons mentioned in this leaflet actually have affiliations with the Reds.

I am quite alarmed and disturbed because of the inroads made on Americans by the Communists, and I want to do everything possible to rouse our citizens to try to prevent Communism from spreading.

Any information you can give me on the attached leaflet will be appreciated.

The picture "OPERATION ABOLITION" is sponsored as a public service by one of the local savings and loan associations, and I was very favorably impressed with the picture. I feel that it will do a great amount of good to make our citizens realize the problems that we have in fighting communism in the United States, and I am thinking of buying a print of this film and giving it wide distribution in Texas. Before doing so, I would like to know if this film has been checked by the FBI, and whether this is authentic in every way.

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD! ! !

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED-Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars — **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "'righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!**— and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — **and warn them** — so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

NOTE ON YELLOW:

Correspondent enclosed several leaflets, one entitled "Closer Up"; one entitled "Don Bell Reports"; and one from the Cinema Educational Guild. He asks if this material is communistic.

Wood directed a letter to the Bureau dated 5-9-58 requesting that he be advised if an organization was communistic. The Bureau, by letter dated 5-15-58, advised him that the Bureau did not furnish evaluations or comments. (105-34229)

"Closer Up" and "Don Bell Reports" are published by Time for Truth Press, Incorporated, Palm Beach, Florida. The Bureau has received numerous inquiries concerning Time for Truth Press, Incorporated, but it has not been investigated by the Bureau. Much of the literature distributed by this organization is strongly anticommunist, anti-Negro and anti-Semitic. (100-430301)

The Cinema Educational Guild, Incorporated, is allegedly an anticommunist group which has been responsible for anticommunist, anti-Negro and anti-Semitic pamphlets. (62-87267)

The following items of literature were furnished to the correspondent:

1. "What You Can Do to Fight Communism and Preserve America"
2. "America - Freedom's Champion"
3. "Communist Illusion and Democratic Reality"
4. "One Nation's Response to Communism"
5. A reprint from the FBI Law Enforcement Bulletin, March, 1960. "An Analysis of the 17th National Convention of the Communist Party, USA."

A WEEKLY COMMENTARY

THE FALLING AWAY ——————————————
——————— AND THE COMING OF ANTI-CHRIST

— *Part Nine* —

THE GREAT DELUSION

Ever since the descendants of Ham went out and started building cities, there has been the belief among men, that natural man is some day going to build upon this earth, a Utopia. This belief inspired Nimrod to build the tower of Babel. The idea inspired Plato to write a book about it. In later years a variety of scientists, reformers, socialists and one-worlders wrote more books about it. The Pharisees gave it a religious character by insisting that a Messiah would come to direct the work, create world peace with justice, bring about a social, economic, political, religious and physical integration of all the peoples of the world. Even the integration of animals was to be brought about so that the lamb would, literally, lie down with the lion without fear of becoming literally integrated *into* the lion (a literal interpretation of a great spiritual truth found in the Book of Isaiah, Chapters 11 and 65.)

This word "integration" is a key word in the Utopian jargon. Planners speak of integrating a man or groups of men into a "new order of living." To integrate means to form into a whole; to unite or become united so as to form a complete or perfect whole. The social reformers desire to unite individuals and groups into larger and still larger integrations, as in the community, the state, the nation, and finally the world. This means absolute oneness, socially, psychically, physically, mentally, morally, and economically. Or, as one of the world's best known "Christian Socialists" (the Red Dean of Canterbury) puts it: "To achieve real moral unity there must be complete synthesis of self with community. In such synthesis man experiences a joy impossible without it.'

This, in short, is the doctrine of the Brotherhood of man under the Fatherhood of God. It also is the doctrine of the Communists, and the Social Scientists, and the Welfare Statists, and the One Worlders, and the Pharisees, and—most unfortunately—of Christians who actually believe that a condition of "peace through justice" is just around the corner.

Before proceeding, may we point out that all of this is diametrically opposed to every teaching of the Bible. For the Bible teaches, not integration at all, but separation and disunity from the world. Jesus said of His disciples, "They are not of the world, even as I am not of the world." And to His disciples, He said, "If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you." (John 15:19). Also He said, "I pray not for the world, but for them which thou hast given me; for they are thine" (John 17:9). In keeping with the teachings of Jesus, John said, "If any man love the world, the love of the Father is not in him" (I John 2:15); and James said, "Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God" (James 4:4).

And Paul knocks the theory of "unity" in the head when he says, "And be not conformed to this world" (Romans 12:2); and again, "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? and what concord hath Christ with Belial? or what part hath he that believeth with an infidel? Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you" (2 Corinthians —:14, 15, 17).

It was this injunction that brought the first settlers to the Western Hemisphere. It was this injunction which caused the breakage with the old world, and the attempt to establish a government which would be in accord with the precepts of separation, disunity, and freedom of religion (not freedom *from* religion, but freedom *of* religion).

For the first 250 years this separated people grew amazingly, prospered miraculously both in spirit and in substance, produced some of the greatest souls and bravest hearts that the world had known since the time of the Apostles. For the next 100 years this separated people held its own spiritually and continued to grow abundantly in the things of the world. But for the past 50 years we have been slipping away from grace and slowly but surely succumbing to the Devil's

lure of integration; which is best expressed in that Satanic lie: the fatherhood of God and the brotherhood of Man.

We have forgotten the simplest of Bible truths: that God is not the Father of sinners, and that the only true brother of a Christian is another believing Christian.

ABOUT POVERTY

The driving force behind this Utopianism, whether it be Communist, Welfare Statist, Christian Socialist, or what have you, is the desire to create full stomachs, full employment, full health and full happiness for every person on earth. All very worth while, in the physical and material sense. But Jesus had a startling answer for this kind of humanitarianism. He asked: "For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? (Mark 8: 36, 37).

And He as much as told the "planners" they would never succeed when He declared: "The poor always ye have with you" (John 12:8). God simply does not go along with the idea of the world planners reordering the world according to their hearts' desires. And the reason is very simple and very Scriptural.

You see, the planners think that the world's one great evil is lack of security; material, physical, social and economic. But God says the world's greatest evil is just plain old sin. The planners want to improve the human condition of man without changing the human *nature* of man. And here is where the planners fall flat on their collective blueprints.

Let's try to look at this thing the way God wants us to look at it, and for which reason He gave us a Holy Bible:

Once upon a time there *was* a Utopia. It was called the Garden of Eden. It was far more ideal than anything the scientific humanists have been able even to dream about. There were no hardship cases; even the serpent received according to his needs. There was full employment; Adam had to tend the garden and look after the animals. There was leisure; Adam walked with God in the cool of the evening. There were no crop failures, no depressed areas, no unhappiness, no disease. But *sin* got into the Garden, and because of *sin* man got kicked out of Utopia. And man will never get back into Utopia until he divests himself of *sin*. And man cannot do that of himself or by his own power or knowledge; for the remission of sin is the gift of God only, given through His Only Begotten Son.

It was not poverty, or poor social environment, or lack of the things of this world, that brought a curse upon the world – it was plain old sin. And the Utopians will never lift that curse no matter how hard they plan, how much money they spend, how many miracle drugs they develop, how many deserts they reclaim, or how many hottentots they give college educations. There is a flaming sword which bars their way. And that flaming sword turns right toward the Communists, the Humanists, the "fatherhood of God and the brotherhood of Man" clan, the Social Gospelers, and all the rest of the Utopians–from Plato to Harry Emerson Fosdick, from Nimrod to Nelson Rockefeller, from Gog of Magog to Khrushchev of the Kremlin.

Here is where the world planners make their fatal mistake: they do not know that poverty and sorrow, sickness and insecurity, labor and travail *were decreed for man*. Even God Himself won't lift that decree for unregenerate man; so the planners are defeated before they begin.

Remember what God first spoke to woman? "Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee."

And to the man, He said: "Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field; in the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return."

That curse has not been lifted from the earth; nor will it be lifted, for the earth and all that is in it is reserved unto judgment; there will be no curse when new heavens and a new earth are created – but until that time it is given unto every man to die once (physically).

That time when there shall be no more curse is described in the last few chapters of Revelation. We look for "a new heaven and a new earth" when "the former things are passed away." But as for here and now, man comes to any good only when he struggles against the curse at its worst, and overcomes it with the Spirit of the Lord.

Struggling patriots who are working their hearts out to save a country, spending hard-to-get funds to receive and distribute Truth, bewailing the

of the garments which He wore.

In the twelfth chapter of Luke there is the story of the man who came to Jesus and said, "Master speak to my brother, that he divide the inheritance with me." Jesus answered, "Man, who made me a judge or a divider over you?"

See how out of line they are when they try to make Jesus an arbiter in the quarrel between capital and labor? This is where the modern church has gone completely mad. The church has gotten into the quarrel about the inheritance. It has made Jesus a Champion of Temporal Salvation; which Jesus never was and never will be. This, incidentally, is precisely the mistake the Pharisees made; they wanted a Temporal Saviour, therefore they rejected Him when He said, "My kingdom is not of this world." Too, too many Christians of today are making precisely the same mistake as did the Pharisees; they've fallen for a "Jewish fable" and think that next time Jesus comes, He will set up a temporal kingdom, because He didn't do it the first time He came. To those Christians may we give this solemn, and sincere warning: *BEWARE OF THE LEAVEN OF THE PHARISEES !*

Perhaps Paul said it best: "This is a faithful saying, and worthy of all acceptation, that Christ came into the world to save sinners; of whom I am chief" (1 Timothy 1:15).

He came into the world to save sinners, and He made it very plain that this salvation comes in only one way: "Ye must be born again." Works won't do it, creating new social orders won't do it, reclaiming deserts won't do it, and granting political equality to Mau Mau ritual murderers won't do it; ye must be born again!

At one time (John 12:47) Jesus said: "I came not to judge the world, but to save the world." And then He makes it clear that the judging is to be done on the basis of acceptance or rejection of the Word, and this "in the last day."

So, if the world is going to be saved, it is going to have to be "reborn," not fitted out with any new social and economic and political order. It is not to be saved from poverty, or injustice, or war, or tribulation; it must be saved from sin—

UN REPLACES GOD

But the modern Utopians are going to save the world by establishing peace through justice, by improving the mental and physical standards of mankind while neglecting the moral. And, of course, the pet manner in which all this is to be done is through the United Nations.

On Saturday, September 24, the *Rocky Mountain News* (Denver, Colo.) carried a cartoon which is typical of the attempts to brainwash the people into substituting temporal salvation through the UN for spiritual salvation through Christ Jesus. The cartoon depicted a huge hand, labeled "UN" holding the world. The title over the cartoon read: "Holds the Whole World in Its Hand." (You will recall the song, "God Holds the Whole World in His Hand".) Above the cartooned world was a big, bright star, labeled "Ike's Program," which supposedly represented the world's hope of peace.

A letter of protest, sent to the paper by F.R. Ackley, excellently presents the case for Truth:

"Editor
"The Rocky Mountain News

"Dear Sir:

"I was profoundly shocked when I came to your editorial page this morning and saw that blasphemous cartoon, "Holds the Whole World in Its Hand." I cannot remember when I have seen anything more blasphemous. This is attributing the power of God to the UN.

"The UN itself is blasphemous because it excludes Jesus Christ, God and prayer from its deliberations. And the real purpose of the UN in destroying peace and freedom is so evident that it is hard to understand how anyone can fail to see it. I will not lengthen this letter by repeating the record, but certainly you cannot be ignorant of it.

"God is still on the throne, and it is God who holds the world in His hand, not the UN. It is true that the UN is at present afflicting the whole world with its attempts to establish a one-world, godless government, but God is still in control.

"Then the blasphemy is compounded by representing 'Ike's Program' as the star which offers the hope of peace. This is an almost inconceivable affront to Jesus Christ, the Prince of Peace.

"Has our nation reached such a depraved condition that they will meekly accept such a slap in the face for God? On behalf of Christians everywhere, I demand an apology for this blasphemy.

F. R. Ackley."

fact that every government agency and every communications medium are cooperating to destroy both Christianity and our Country; such patriots should remember that man receives from God only through travail and suffering. When man is able to improve his lot through improved economic conditions which came "the easy way," even where by science and man's knowledge he overcomes nature's obstacles and hindrances and begins to "take it easy," when man integrates into an organization and allows the organization to do all his thinking and planning and security-providing for him; that's when man begins to deteriorate morally, physically, and spiritually.

World Security Forces, social security cards, free education, free medical care, guaranteed security from the cradle to the grave; these are not and never will be the answer to true peace and happiness. Pain, anguish, and death are the price of life. Jesus said even of a grain of wheat that unless it "fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit." (John 12:24). And Jesus amplified that by saying: "He that loveth his life shall lose it."

THE APOSTATE CHURCH JOINS THE DEVIL'S CONGREGATION

Americans would never have fallen for this Utopian nonsense which comes from Satan by way of Karl Marx, if the organized churches of the country had not forsaken the teachings of Jesus and taken on a new "gospel," one which they call the "social gospel," which is to lead us into a "new world order." In order to sell the new "gospel" to church-goers, first they had to "humanize" Jesus, and then make Him a Socialist. Almost as soon as it was organized, the Federal Council of Churches, forgetting all of its own preachments about "separation of church and state," announced that its first order of business was to "lead the masses out of the economic bondage in which they suffer." It just so happens that this also is Communism's professed first order of business.

When the church deserted Jesus and associated itself with Satan's "new world order," that's when the "falling away" of which Paul spoke in 2 Thessalonians really got under way!

The Bible—from cover to cover—justifies and never condemns the system which we call private enterprise, the foundation stone of which is the right to have and hold private property. To make of Christianity a socialist propaganda instrument is the most blasphemous apostasy imaginable. It becomes doubly blasphemous when Jesus is made out to be a socialist.

Let's examine the Record:

Jesus belonged to a debased class group; He was a Galilean, and a Nazarene. The Jews had a saying: "Can anything good come out of Nazareth?" Here was real ground for agitation against social inequality; for Jesus was born a second class citizen in the humanitarian sense. But did Jesus organize any National Association for the Advancement of Galileeans? Did He agitate for higher wages for carpenters?

He was born in a stable and cradled in a manger. This was a hardship case far worse than most that will be found in any social worker's book. Had Jesus been a social planner He surely would have initiated an urban renewal program for the city of Bethlehem!

All the Utopians are fired up with the ambition to establish Social Justice on a world-wide scale. They foment social revolutions to correct abuses and injustices, and they say they are doing it in Jesus Name! Then why don't they do it in the light of the example He set for all of us. Remember Isaiah's prophetic description? —

"He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not. Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted.... He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he opened not his mouth."

Jesus was the most downtrodden of all the downtrodden peoples of the earth. He had the brains and the power to start a social revolution and establish social justice for all peoples. But He did not. Never once did He vent His spleen against anyone; save those who had made His Father's house into a den of thieves. He pulled no punches when He labeled the scribes and Pharisees for what they were (and are); but this had nothing to do with their social or even political positions; His denunciation of them came because of their apostasy and their hypocrisy. He led no revolt against the established world order, and He carefully divided between the things that were Caesar's and the things that were God's; and He did not mix the two.

Of His economic situation, Jesus said: "The foxes have holes, and the birds of the air have nests; but the Son of man hath not where to lay his head" (Luke 9:58). This is poverty at its lowest possible level. And things never improved for Him; when He died His sole estate consisted

SPECIAL ISSUE---------Year Sixteen, Number Ten---------October 7, 1960

THE MIDNIGHT RIDE OF RICHARD NIXON

THE STORY OF NIXON'S SELL-OUT TO KING-MAKER ROCKEFELLER

Just prior to the third act of that musical comedy called the Republican National Convention of 1960, there was a disturbance in the dressing room occupied by Charles Percy, member of the Council on Foreign Relations (CFR), member of its ultra-exclusive inner circle called the Business Advisory Council (BAC), and Nelson Rockefeller's personal representative at GOP's policy making body. Percy was chairman of the Platform Committee, and Nixon was to be GOP's standard bearer. And they were in disagreement concerning the promises which were to be made to the people in the Republican Party Platform.

The disagreement was such that the final decision could be left only to the king-maker himself, Nelson Rockefeller.

So, while the curtain was held on the third–the platform-reading and nominating–act of the great entertainment spectacle, the two principals of the production; Producer Rockefeller and Leading Man Nixon; suddenly disappeared from the stock yards site. They next were heard from huddling together in the New York apartment of the star-maker, Nelson Rockefeller.

They returned to the stock yards next day, and the play went on, as scheduled.

But, what went on at that midnight meeting has not been revealed by the principals, Rockefeller and Nixon.

THE GREAT AMERICAN SELL–OUT

It is generally understood that, at that midnight meeting, Nixon surrendered himself and the Republican Party to Nelson Rockefeller and his Council on Foreign Relations. But the extent of that sell-out; the details of the treason; these have been kept a carefully-guarded secret.

But Nixon's commitments to Rockefeller went far beyond acceptance of the platform changes that were reported by press, radio and television. Nixon agreed to:

1. Appoint Nelson Rockefeller, Thomas Dewey, and several other high-ranking CFR members to important Federal offices;

2. Choose his entire Cabinet only after consultation with, and approval by, Nelson Rockefeller.

3. Select for appointment to Federal posts only such individuals as are thoroughly committed to the policy of developing the United Nations into an actual supra-national (world) government;

4. Take every CFR-suggested step to provide the United Nations with a permanent police force, to be used to enforce every decision of the UN General Assembly, the UN Specialized Agencies, and the World Court.

5. Strengthen the World Court so that it will be empowered to try cases against "individuals" as well as against "states and nations";

6. Initiate and ratify treaties which will "internationalize" the Panama Canal, Antarctica, and the U.S.-held islands in the Pacific.

NEW MENTAL HEALTH DRIVE

Our informant who reported the above, received his information directly from a "prominent upstate New York GOP leader." Both shall be nameless in this Letter, but the information is authoritative.

"But," wrote our correspondent, "the most frightening information came when the New York GOP leader turned the conversation to the subject of mental health. Reaching into his brief case, he withdrew about twenty assorted papers, monographs and photo-offsets, which he spread upon the table. 'These,' he said, 'will give you an idea of what the United Nations is planning for us next year.' He went on to explain that two of the UN's Specialized Agencies, UNESCO and WHO, have been in the process of preparing a series of 'recommendations' for 'model mental health legislation' in the various UN-member

states. These proposals will be ready for implementation when our Congress convenes in January. Representatives of the UN have already contacted key members of the Senate and House, he continued, and have arranged that the UNESCO–WHO program will be introduced in the form of at least twelve separate bills. In addition, two treaties are being drafted to bring education and mental health under international control."

Copies of the documents mentioned above were turned over for study to Mr. W. Henry MacFarland, Jr., of 2834 Almond St., Philadelphia 34, Penn. And Mr. MacFarland reports:

"Since receiving this material, I have studied every document in detail, and the contents are sickening. The program which they outline contains all of the worst features of the Alaska Mental Health Act of 1956. If only a half of the proposals should be enacted by Congress, an American citizen could be stripped of every freedom guaranteed him under the Constitution, simply by virtue of a mere accusation of being 'mentally ill'."

Henry MacFarland is a man of action and of some important success in defeating such treasonable activity as outlined in this "health" program.

It was MacFarland's American Flag Committee which defeated the atrocities planned upon our American public and private school children, by initiating action to stop the use of children as "guinea pigs" in the testing of various drugs.

Now Mr. MacFarland proposes to launch a drive to prevent Congress from approving this mental health program. Writes Mr. MacFarland:

"After studying the papers in question, I met with several of our most patriotically inclined Members of Congress and alerted them to the situation. I have also been able to arrange the receipt of all bills and resolutions dealing with Mental Health within 24 hours of their introduction into Congress, so that they can be reported to patriotic groups throughout the Country long before they are taken up by the various committees to which they must be referred."

Mr. MacFarland needs, deserves, and must have the support of all patriots if he is to succeed in this most important endeavor. Write to him, ask for details and, as you can, support him financially. For, when we lose our freedoms there is little left worth saving.

THE DOCTRINE OF INTERPOSITION,
ITS USE TO PROTECT STATES RIGHTS

The following letter is "legal" in tone and may seem like dull reading. But it is vitally important to all who seek an understanding of how the time honored doctrine of Interposition first established and used successfully by Thomas Jefferson and James Madison, remains, today, the one and only legal and Constitutional manner in which those rights delegated "to the States and the people" can be defended against constant Federal encroachment.

This letter has been approved by the "best legal minds" of the State of Texas, and came to us signed by twenty-one outstanding citizens of that State.

We feel privileged to have been requested to publish the following letter, and thus aid in its national dissemination:

Honorable Price Daniel
Governor of Texas
Austin, Texas

Dear Governor Daniel:

The statement attributed to you in the UP dispatch of August 31: "The State is powerless to stop a Federal Court's integration order from being put in effect", would shock anyone familiar with the provisions of the United States Constitution.

This statement reflects an appalling ignorance of the State's legal position and of what can be done to bring that strong position to bear on the situation confronting us.

Although it is true that there is little that you, as Governor, can do without necessary action by the Legislature it certainly is not true that "the State is powerless". Our State is powerless only because it has chosen to be so, by failing to use the legislative power of the State to clarify the law when attempts are being made to confuse the law or to illegally overturn the law.

This is a matter before the State of Texas and it is of such moment that you should study carefully the relation the State bears to the Supreme Court and whether you would be dealing with the Court or whether this is a matter concerning the unauthorized action of its members.

When you assert that the State is "powerless" to stop a Federal Court order, you are assuming that you have the power to speak for the State in a matter of Constitutional Law.

In the situation in hand, is the State in the position of dealing with an order of the Court, or with lawless acts of its employees? This is a matter for the government of the State, not for its Governor.

To understand this relationship what we would ask you to do is to read the Constitution with reasonable care, note what it records as to powers given to the Court, note the signatures to the document, and discern if the signatory parties to this agreement constitute the source from which these powers have come. If the powers of the Court do not come from these States, what is the source of their authority?

It is easy to comprehend, and this is a matter of law, that the Supreme Court has no other source from which its powers can be derived. What is granted to it within the meaning of this contract is the limit of the power of the Court and it is limited to "Judicial Power".

You will note from Article II, Section 2, Clause 2, the arrangement which the State has made for hiring and firing the members of the Court and to whom the State gives the power and the method for their appointment; and from Article VI, Clause 3, that their contract for employment provides that they must be bound by an oath to support this Constitution.

Thus, it is clear that the States have set up the Court, have provided for the employment of its members and have fixed their duties.

Could anything be more clear than that, when and if these employees breach their agreement, it is for the State to make the correction and take the required action, just as must be taken in any other case by the employer in dealing with an agent who is trying to bind the master by acts beyond the agent's authority.

You say that the State is "powerless to stop" a Federal Court order. What is the situation where the Court lacks authority and cannot lawfully make the order? Suppose what is done represents not an authorized action of the Court but an unauthorized and therefore illegal, act of the employees? Is the State bound by such unlawful acts of the members of the Court? If so, of what use is it to have these limitations of power as expressed in the contract? And if the parties to the contract cannot object to the breach of it and enforce its provisions, who can? Is it your contention that we are a nation without law? And if the parties to the contract cannot enforce its provisions why have a contract at all? If the agreement is not limiting the powers of government how can we claim to have a government of limited authority?

These school matters call for legislative power and not judicial power. A correction of this invalid order of the Court is called for. It then becomes the duty of the governor of the state whose laws are being obstructed to call a special session of the legislature so that the state, through its government can discharge the duty of determining whether we face Court proceedings which are legal as based on Constitutional authority, or dealing with unlawful activities of men trying to appear to be acting under the authority of a Court but who really are acting in disregard of the limited authority that may lawfully be exercised by the Court under the Constitution.

The next step is for the Legislature to make clear what is the law within the jurisdiction of this State.

Where the members of the Court have not acted within the authority granted we are not dealing with a Court. We are dealing with the unauthorized, and therefore unlawful, acts of members of the Court.

The Legislature, through a legal enactment with the approval of the Governor, can declare that the efforts of these men who happen to be members of the Court, while acting outside the range of the authority conferred under the Constitution will not be recognized as the law, and therefore, is not the law in this State.

When the State of Texas takes this action it will clear the road for all law enforcement officers, State and Federal, to know what they are doing and to know what their duty is in enforcing the law. There is no way, under our Constitution, for the Supreme Court, acting as a court, to change the law of Texas. Also the Court lacks authority to take any step or action in support of the illegal proceedings of the members of the Court while acting outside the range of their authority granted under the Constitution after the fact has been determined.

A servant cannot dictate to its master. The servant can bring a legal action against the master for breach of agreement of employment. In this case the Supreme Court is "bound" by the provision that before these men are qualified to act as members of the Court they must be "*bound*" to support this Constitution. They cannot, in any way, change either the law or the Constitution. They must be *bound* by their contract of employment and this binds them to the limits of their power.

In the circumstances of this particular case, the establishment of such a claim by any members of the Court would not be within the range of possibilities. It cannot be seriously contended that the Supreme Court acted within the limits of judicial powers when they upset the established

law, ignored the intent of the framers of the 14th Amendment as previously determined by the Court and even disregarded Federal statutes on this subject where the Congress was bound by the same intent of the same 14th Amendment in its enactment of 1890. See Title 7, U. S. Code, Sect. 323 (2 FCA, page 230). In this law the Congress provided for separate schools.

The broad grounds for the Legislature to act on in declaring the acts of the Court to be ultra vires, unconstitutional, invalid and not the law in the State are beyond doubt an adequate basis.

The Resolution which expressed very well the opinion of your Legislature but which was not made the law of the State, will thereby be reinforced and perfected as a means of making definite the position of the State. With that definite the role of the law enforcement agencies is marked out. Then the law will be enforced or the Constitutionally based law of the Nation will be overthrown. The question then as now is what is the law? As a nation of law, the law when properly established will be enforced.

Respectfully yours,
John C. Williams;

EDITORIAL COMMENT –

The two subjects discussed in this Letter are illustrative of the two major reasons for the decline and fall of our Republican form of government:

1. Assumption by the Federal branch of the rights and powers originally delegated to the people;

2. Assumption by the Federal branch of the rights and powers originally delegated to the States.

That the "voice of the people" might not be overriden and nullified by the "voice of government," the framers of our Federal Constitution created a House of Representatives, to be composed of men elected directly by the people on a proportionate basis; with each representative charged with the responsibility of representing the constituents of his district--not all of the people of the United States, and certainly not all of the people of a "free world;" he was to represent the people of a particular district of a particular State. No national organization of any type, whether it be labor, religious, political or do-gooder, is supposed to sway his vote.

With the creation of national political parties, this "district" representation slowly changed to the "national" viewpoint. In order to get on his party's ticket, the politician had to agree to uphold a "national" platform, rather than the platform approved by the majority of the people of his particular Congressional District. Thus, the people lost control of their representative, who became a captive of a national political organization. As a matter of course, that national political organization became the prey of national pressure groups, such as ADA, ADL, NCC, AFL-CIO, CFR, 1313, NAACP, etc. And when the national political parties began compromising principle for pressure group support, then the individual citizen lost his national franchise! So long as representatives are pledged to carry out programs promoted by "national interests," rather than programs in the national interest as determined by their own--and only their own--constituencies; just so long will the House of Representatives be acting in an unconstitutional and unlawful manner.

In order to counter-balance and offset the evils of this "democratic" body known as the House of Representatives (for democracy always becomes mob-ocracy) the framers of our Constitution created a second, and upper, House which was intended, not to represent the people, but the Sovereign and Independent States.
Thus, States Rights would be protected through direct State representation at Washington, D.C. Further, this "House of States" would exercise direct control over and management of the Executive branch of the Federal Government.

That control by the States of the Federal Government largely disappeared the moment the 17th Amendment became a part of the Constitution.

One might even say that when the people began electing, directly, United States Senators, our government ceased being a Republic, and became a Democracy; with the attendant drift to mob-ocracy (which always leads to control by special interest and pressure groups) which has come upon us to again change our government from a Democracy to a Socialist Welfare State!

The solution? It lies not in "national" political parties; but rather, in the people regaining control of their House of Representatives, and in the States regaining control of the Senate. And both actions start, not at the national, but at the grass roots, the home town, level.

THE NEW IMAGE OF WORLD GOVERNMENT

With the United Nations General Assembly busy handing out membership cards to any African tribe populous enough to afford the luxury of a "foreign minister," no one can be sure, at any given moment while the Assembly remains in session, just how many "sovereign nations" now have surrendered that sovereignty to the world government. As we write this letter, there are 98 members of the UN. As you read this letter, there may be more. *U.S. News & World Report*, at its press time (to meet deadline for its Oct. 3 issue) had to settle for the number 96. Otherwise its opening remarks (page 44) are reasonably factual and commendably objective:

"The United Nations, now riding the crest of a wave, is inspiring talk that it may be on the way to becoming a real world government.

"Yet a close look at the U.N. as now constituted raises many questions, provides few answers.

"The U.N. Security Council, once the governing body, has had its power wrecked by 90 Soviet vetoes. What is left to direct the U.N. is the Assembly.

"In the Assembly, each of 96 members has one vote—no more, no less.

"The United States, paying the bulk of U.N. bills, and having 180 million people, has but one vote—just as does Gabon with 417,000 people, one of 14 new nations just admitted to the U.N.

"The Soviet Union, however, also votes two of its provinces, Ukraine and Belorussia, plus its six Communist colonies, for a total of nine votes.

"The Assembly lacks checks and balances, has no eligibility test, 'age' requirement, educational test or financial test. Nonpaying members vote. It is 'one member, one vote.'

"Power blocs now formed within the Assembly give the 'Western bloc' 27 votes, the Communists bloc 11 votes. But nations of the African, Asian and Latin-American 'blocs' together, most of them poor, have 58 members, 58 votes.

"'Poor nations' it is feared, may gang up on 'rich nations'—notably the U.S.—demanding big development programs, aid, in return for votes." (End of quotation.)

This last quoted paragraph suggests what really goes on at these circus-type UN Assembly meets. The United States has persuaded all its Western "allies" to give up their colonies, and turn them over to the U.N. They're still colonies, but of the U.N., not of Britain, France, Belgium, the Netherlands. In this way, the U.N. must assume full, active, governmental operations; must become a world government in fact.

For the colonies there's this big difference in status, however: as individual states in a world federation of states, they each have a vote. The state of Mali, for example, has just as much to say about how the world is run as does the big United States of America. But, since Mali has no industry, employment, food or clothing, it is most happy to trade its vote for a social security payment.

So, now, the "cold war" has developed into a vote-buyer's race between the USSR and the USA. Uncle Sam has become a low-level ward-heeler politician, busily rounding up voters, trading foreign aid promises for voter pledges.

In our mad design to create a worldwide social democracy (as opposed to USSR's communist democracy, which in the final analysis is the same thing) we are willing to transfer our sovereignty to a world government, and then try to influence the policies of that world government through bribes and vote-buying – and this with money we no longer have!

THE WORLD BANK IN THE ACT

So serious has become our plight because of our mad desire to "buy" the friendship of all states and thus maintain a majority vote in this UN monstrosity, that the world's bankers were, this

past week, called to an extraordinary and hush-hush meeting at Washington, D.C. What has been going on at that meeting is not being reported; save for such items as pressure being put on the government of Western Germany (which isn't even a member of the U.N.) to make more of its citizens' hard-earned money available for a world-wide foreign aid scheme. And Robert Anderson's amazing admission that we haven't really been suffering a recession; it was just an inventory taking on the part of big business.

And, as B. Baruch begins talking about the big bust of 1929 (in which he made millions) and how the conditions then compare with the conditions now (all of which started an as yet unconfirmed rumor that Barney has transferred most of his ill-gotten gains to foreign banks) – all of this annoyingly balanced alongside the fact that both Kennedy and Nixon admit that they are going to spend more money than ever before (and even Gabriel Heatter shudders as he speaks of a coming 100 billion dollar Federal budget).

One can't help recalling that of all the sweet pipedreams of the one-worlders, at least a start has been made—and put into operation—on every phase of the over-all program, save one: a world currency. And one can't help wondering what is being suggested as the great economic panacea by those World Bank members huddling near the Dumbarton Oaks rendezvous where all this awful mess of pottage first started simmering in 1944.

John Kennedy says we have a rendezvous with destiny, and that we stand on the brink of the "New Frontier" (Madison Avenue term for the Global Welfare State which we are asked to finance).

Richard Nixon says "our goals are the same, but our methods are different."

IS THERE A DIFFERENT ROUTE?

At the Administration level, our course has been set, the Ship of State will not change course, no matter who is elected Captain in November. And no matter what we say, or whom we elect, we are committed, in advance, to do whatever the United Nations tells us to do. There is no point in debating our foreign policy; because our foreign policy is no longer determined by us, but is determined by the United Nations. And there's little point in debating our domestic policies, for they now are determined by our foreign policies. (It was the influential *Wall Street Journal*—not Closer—Up—which first said, "the United States is no longer master of its own foreign policy." This was WSJ's comment following a statement by President Eisenhower to the effect that we would adopt no Middle East policy because, said the President of the United States, "These things should be done in the United Nations. And *we are prepared to go along with any decision of that kind.*")

So much for our Administration. No matter who becomes our next President, and no matter what he may wish to change; he will not be permitted to alter our slavish allegience to the U.N.

As for our Federal Judiciary, the situation was adequately understated by Governor Almond of Virginia, when he told the Southern Governors Conference on Sept. 28, at Hot Springs, Ark.: "the transgressions and lack of judicial restraint being exercised by the Supreme Court" must be met by a "rational approach.... We can never overthrow the federal government nor do we desire to. We must approach this problem from a standpoint of sanity."

Our Administrative and Judicial Branches being past redemption; there remains –

THE FEDERAL LEGISLATURE

For the past month, Closer—Up has been urging concentration upon our Federal Legislative Branch of Government. If there is political salvation still possible for our present treasonable government (treason against the Constitution and against the people), it lies with our Senate and House of Representatives. Particularly with the Senate, for that senior body has the power to curb administrative and judicial treason – and; to revoke treasonable treaties and acts now said to be the "law of the land." (Incidentally, our Closer—Up of Sept. 2, has been reprinted three times. Senators are being peppered with the "open letter" contained in that issue).

Our statement that we must concentrate on the Senate, for therein lies our only political hope; has brought some important comment.

A trusted Washington observer writes: "Glad you emphasize Congress' importance, but fear it is too late, since the White House completely dictates and dominates it. Even if we get good men in, they are powerless – or, are so flattered by the President or promised a judgeship or some (administrative) post for the rest of their lives, that they fear to vote contrary to what the White House wishes – regardless of party. Retaliation by the executive is swift and hard if they oppose – the White House lobby is the biggest here except the 'social lobby' – and the wives make their husbands stand in with the White House and Cabinet for fear of not being invited to parties. It is pathetic, but true."

From a correspondent near the "scene of the conspiracy" comes the story which concerns one of our most loyal Senators. His voting record has long been a "thorn in the flesh" to the administration. As a result, the administration is out to "retire him or ruin him." He has been offered a federal judgeship if he refuses to run next time he comes up for re-election. He has no way of knowing whether such a promise would, or could, be kept. BUT, if he insists on running for re-election, then he is told he will be defeated (the White House will arrange it, he is told), and the law practice to which he might retire will be nil. So, threaten the conspirators, how is he going to support his family if he refuses to "play ball" with the administration?

This story receives support from a statement published by Wickliffe B. Vennard, author of *The Federal Reserve Hoax*, which we quote:

"Evidently lives were threatened to cause Senators Byrd, Malone and Jenner to declare publicly that they would not run for re-election." (We've admittedly taken this statement out of context. Vennard had reference to their refusal to have anything to do with an investigation of the Federal Reserve System; and his pamphlet *What Is Your Answer?* should be read to get the contextual implication of his statement (Meador Publishing Co., 324 Newbury St., Boston, 40¢).

A great American Patriot--a retired General whose knowledge of the conspiracy and whose efforts for America over the past half century has won him the respect of all patriots--had the following additional information to offer:

"Several months ago we had a very large dinner here of the Georgia States Rights Council. The Governor and both Senators attended and spoke. In the course of his remarks, Senator Russell said this: In the Senate of the United States, there are approximately 20 Senators adhering to their oath of office and striving to serve loyally even though it may cost them their positions or their lives. The others, he said, are serving under some strong influence or under the power of a minority group. He added -- and the same situation exists in the House. Certainly Senator Russell should know, for he has been a member of the Congress for a quarter of a century. I wrote this report to a member of the House in whom I have full confidence. He replied at once that he agreed with Senator Russell 100%."

In another paragraph, our correspondent added this remarkably perceptive observation:

"In my opinion, the trouble with the United States is fundamental. It is like examining a great building wherein the very foundation had been proven to be defective. It is a great mistake to view our Republic as a nation of great forests, rich agricultural fields, and richer mines. Instead, we are a human organization of 180 millions of people and every brick in the structure is a human being and we will stand or fall according to the character and virility -- yes, and the breed, of the men and women on Main Street. We are breeding our manpower down fast and no nation in history has remained a first class power after doing so."

Paraphrasing the above statement; we might add that our Republican Governmental form will stand or fall according to the character and virility and breeding of the men we send to Capitol Hill!

And if only 20¢ of those men have the character required to take an oath and then keep it, is our destruction not near?

DICTATORSHIP, DISASTER AND DEATH -- STALK WASHINGTON, D.C.

In a brilliant historical report, Edith Essig traced the trail of terror and fear which surrounds our Nation's Capitol from the time of Lincoln's assassination down to the present. Here are some quotations (we haven't the space for the entire article):

"When, in the summer of 1959, I visited the old Ford Theatre and examined the relics pertaining to Abraham Lincoln's last hours on earth I was tremendously impressed with the sense of participating in a drama in which that historic tragedy was the curtain-raiser. Informed patriots know, of course, that the events from that day to this are a continuous performance, and that the international moneychangers who plotted that assassination are still the villains of the piece.

"... In the present-day sequel, ninety-five years later, the heavy hand of dictatorship, censorship and intimidation is on Washington, D.C. The threat of retaliation, blackmail, ridicule and smear, and the fear of sudden death stalk the very halls of Congress. Ghosts in the form of unanswered questions haunt the place. The ghost of James Forrestal, wartime Secretary of the Navy and first United States Secretary of Defense, who learned too much about Zionist intrigue in the Middle East: did he commit suicide by leaping from the sixteenth floor of Bethesda Naval Hospital or was he pushed? The ghost of General George S. Patton, who was held back from entering Berlin to permit Soviet troops to take the city and who was quoted as saying, "I have a little black book and when I get back to the U.S.A. I'm going to blow the hell out of everything!": was the collision between a truck

and his military car, in which he was killed, an accident?

"The ghost of Senator Robert A. Taft.... Yes, the atmosphere of Washington, D.C., reeking with the poison of over a quarter-century of pro-Soviet treason, is that of the same city on April 15, 1865 when, as expressed by the news reporter of that day, assassination had been inaugurated via the pistol and the bowie knife. The pistol served to eliminate Senator Huey P. Long of Louisiana in the early days of the New Deal takeover; and it served in two murderous attempts on the life of Rep. Louis T. McFadden of Pennsylvania, following his exposure of the political-economic planning of the New Deal 'Brain Trust' as a plot to overthrow our Constitutional form of government....

"If—from the moment he took the oath of office, administered by Chief Justice Vinson, and began his administration with the magnanimous support of his rival for the Republican nomination, the new Senate Majority Leader Robert Taft—Eisenhower ever felt the impulse to defy the edicts of the mysterious powers-that-be, no doubt he gave the matter further thought and cannily held his tongue. The powers-that-be have at all times a reserve, often rated a conservative, with whom to replace the one who becomes 'fed up' and shows symptoms of performing as an independent thinker. Before the year was out Taft was gone, Chief Justice Vinson was gone. McCarthy is gone....

"The scene took place, as related by *Time* Magazine of April 6, 1953, in the late afternoon of a day marked by bitter words directed by Bohlen-supporters at Senator McCarthy. On the previous day, says *Time*, 'two U.S. Senators strode into a State Department Office, seated themselves at a table and began poring over a 30-page document. Ohio's Robert A. Taft and Alabama's John Sparkman had come over from Capitol Hill to go through the FBI report on Charles E. (Chip) Bohlen, nominee for Ambassador to Russia....' *Time* continues, under the heading *An Ambassador is Confirmed*: '...The argument rolled on until it was too late to vote that day: Bob Taft had announced that he didn't want a vote after 5 p.m. because he had to be at home at 5:30 for a tea in honor of Mamie Eisenhower. At the Tafts' red brick Victorian house in Georgetown, men who had been snarling at one another over the Bohlen case met, chatted and sipped. Everything was as sweet as California port until one of the guests, American-turned-Briton Nancy Astor, sidled up to Joe McCarthy. Said razor-tongued Lady Astor, eying Joe's drink: "I hope it's poison." Said Joe later: "I've been informed that some nice, kindly old lady did make that remark".'

"Writers who have so painstakingly checked the hour-by-hour movements of the principals in the tragedy on the day Lincoln was shot would find a fascinating field of investigation in the run of the news out of Washington in the year 1953. Why, they might speculate, had Senator Taft, who *strode* (according to *Time*) into a State Department office late in March and played golf with President Eisenhower in Augusta, Georgia, late in April, become a broken man, hobbling on crutches, by early June?

"Headlines of the year 1953 give glimpses of the tragedy of Robert A. Taft: 'Van Fleet Bitter Over Stalemated Korean War, Says They Had The Enemy Defeated In Summer Of 1951...Congress In Uproar Over Van Fleet's Charges...Taft Wants A Quiz On Korean War...Eden Tells U.S. It Must Continue Partial War In Korea—Concedes It's A Thankless Job...Taft Urges Every Effort To Get A Settlement Of Major Far Eastern Problems Before Agreeing To A Truce In Korea....

"May 27: Forget The U.N., Says Taft, Urges U.S. To Act Alone On Truce. May 29: Eisenhower Splits With Taft. Opposes 'Go It Alone' Plan, June 10: Stricken Taft Quits As Senate Floor Leader. July 31: Senator Taft Dead, Nation Mourns.

"More than one crusading publication has asked: 'Did Senator Taft sign his death warrant when he said, "Let's forget the U.N. Let's go it alone in Korea"?'

"Were these—in effect—the famous last words of 'Mr. Republican'?

"Perhaps there is good reason for the fact that the presidential candidates of 1960 jump at the crack of the international whip." (end of quote).

If this is a Cold War, and not yet a Hot War, then our front-line troops are not the men in uniform, but the men we send to Washington to represent us—We, the People. In times of Hot War, when a soldier violates his oath and betrays his trust, he is liable to execution by firing squad.

Should it be different in Cold War? The fate of our nation is still at stake. We live in freedom or die in slavery, depending upon how well our soldiers fare on the field of battle.

First, we must elect men who place love of country above love of life. And, second, we must stand behind such men and give them the support they must have—else they will have died in vain.

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, **under the "Genocide Treaty" provisions,** you could not choose an American lawyer to defend you — **the UN would appoint your defense lawyer** . . . . nor, **under that provision,** could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — **and the U. S. Government could do nothing to prevent it!**

Thus it is clearly obvious that the **real** objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a **UN One-World Government.** Once our Senate would ratify the **"Genocide Treaty";** or its twin, the **"Covenant of Human Relations",** the UN would find a hundred ways to twist your opposition to **"One-World Government"** into an **"act of Genocide"** — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — **and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?**

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — **before it is too late** — by sending **signed** copies of this document, **to act as an urgent "Petition",** to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us **out of it.**

THE "GENOCIDE" PLOT

TRACT

Flash . . . FLASH . . . FLASH!!!

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

—•—

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"! . . . .

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — **because under our Constitution a Treaty becomes the Law of the Land.**

—•—

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, **architect of the UN,** arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . . ."

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! . . . . What big-hearted generosity ! ! !

Anyway, **that** was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the **controlled Press and Radio** repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, **and more,** with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a **completely compulsory** jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention and Punishment of the Crime of Genocide" . . . .** the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, **so they said,** to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany . . . . **the records show that there were never more than 600,000 Jews in all of Germany** — but **six million** sounds more impressive, so the UN insists upon **six million.**

Now, first of all, **bear in mind** that under the "GENOCIDE TREATY", **when and if our Senate will ratify it,** all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . . ." also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", **always stressing Hitler's murder of the "SIX MILLION" Jews.** But, as we go through all the **fine print** in the Treaty, we find that you wouldn't have to participate in the **mass murder** of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . . then, lo and behold, we discover that you wouldn't have to **even** go as far as **killing** to be guilty of "Genocide", for if you caused **"physical or mental injury"** to a "minority group" member you would be just as guilty of "Genocide" as if you had killed **"six million"** Jews or Negroes — **(Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).**

In other words, **under that provision,** if you got into a fist fight with a Jew or Nego and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him **"mental anguish",** and that **"anguished"** minority group member could bring a charge of "Genocide" against you. Thereupon, **under the "Genocide Treaty" provisions,** the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

Special EMERGENCY Bulletin

PLEASE READ IT SLOWLY — DIGEST IT . . . . YOUR FREEDOM, YOUR VERY LIFE, MAY DEPEND UPON HOW YOU READ IT — AND UPON WHAT YOU DO AFTER YOU HAVE READ IT.

In order to leave nothing, *absolutely nothing*, to imagination about the urgency of the above warning, we have enclosed our latest "Tract", entitled:

THE UNITED NATIONS' "GENOCIDE" PLOT!

Read it carefully — ANALYZE it— for in this "Tract" you will find all the PROOF you need to clearly show you that if ever the U. S. Senate will sign the so-called "Genocide Treaty", *thus making it a "Law of the Land"*, it will mean imprisonment, *or even death*, for every White Christian American who will dare to so much as protest against the transformation of the United States into an enslaved unit of the planned UN ONE-WORLD GOVERNMENT . . . PROOF that cannot be denied (*or explained away*) by the UN — by our State Department — by the White House . . . PROOF that any individual in high office, whether it be the President, the Vice President, the Attorney General, or any Senator, who would advocate the signing of the "Genocide Treaty", *or the repeal of the Connally Amendment*, in whole or in part, is as guilty of stark treason as Benedict Arnold, as Quisling, as Pierre Laval — *as Julius and Ethel Rosenberg!*

UN IS DEATH-TRAP FOR U. S.

In our fight for the salvation of our Country there are two vital facts which we must never, *never*, NEVER forget!

No. 1) That there is an Internationalist-Communist Conspiracy *(quite apart and distinct from the generally known Moscow Communist Conspiracy)* to destroy the sovereignty of our nation — and to transform the United States into a unit of their One World Government . . . and, *even more important*, we must always bear in mind that the seat of this Internationalist-Communist Conspiracy is not in Moscow, but within our own United States — that the Master-plotters of this Conspiracy are not the hoodlums in the Kremlin, but the Internationalist (gangsters) Bankers in New York *and their puppets in Washington;*

No. 2) That the "UNITED NATIONS" is the crux *(the heart)* of that Conspiracy — the trap in which our nation is to be stripped of sovereignty and of all our Freedoms — the trap in which the United States is to be absorbed and enslaved by a so-called UN One-World Government, *exactly as Latvia and Esthonia and HUNGARY have been absorbed and enslaved by Moscow.*

Unfortunately, *and tragically*, to a great majority of the American people the above statements are fantastic and utterly unbelievable. During the past half-century, *but especially since* 1945, our people have been steadily brainwashed by a *completely controlled* Press, Radio, TV, Hollywood *(all mass communications media)* into the belief that our only mortal Enemy is Communist Moscow. Now, it would be folly and sheer stupidity to pretend that Communism, per se, is not our greatest menace. But, it is even more important to clearly understand the *true* menace of it — to fully realize that the real menace of it is not *without*, but WITHIN the United States — that it was created and fostered by the Masterminds of the above mentioned *Internationalist-Communist Conspiracy* to serve as a camouflage for, and distraction from, *their* infinitely more sinister and far more dangerous Conspiracy *within* our Land. To nail down that charge, let me remind that it was Jacob H. Schiff (Kuhn-Loeb & Co.), the American Hierarch of the Great Conspiracy, who masterminded the Lenin-Trotsky takeover of Russia — that it was Schiff who financed the training of Trotsky's several hundred New York gangsters for that takeover — that it was Schiff who provided the ship, plus 20 millions in gold, for the juncture with Lenin and *his* gang — that it was a Warburg, Schiff's Lieutenant in Germany, who provided the sealed freight cars to sneak the Lenin-Trotsky Bolshevik "army" into Russia — that it was Schiff who (in 1918) sent Col. House to Moscow with orders to Lenin to change the name of his regime from Bolshevik to Communist, and to adopt the Marx Manifesto as his "Constitution". To further nail it down, bear in mind that it was Franklin D. Roosevelt, *the Great Conspiracy's tool in the White House*, who saved the Stalin regime in 1933 with his illegal "Recognition" — that it was Roosevelt who opened the doors of the White House, the State and Treasury Departments, the Pentagon, to an influx of Communists — that it was Roosevelt who, *at YALTA*, arranged the deal to deliver Poland, the Balkans and all of Eastern Europe to Stalin — that it was "Military Genius" (Faugh!) Eisenhower, Baruch's picked tool, who carried out that deal by his manipulations of our armies . . . *and bear in mind that it was Roosevelt and Alger Hiss and Harry Dexter White who concocted the "UNITED NATIONS" and planted it within the United States to become the "Housing" for the Great Conspiracy's One-World Government!*

And, remember this: It was Herbert Lehman, *Internationalist Banker*, who *clinched* Moscow's enslavement of the Balkans — *with the help of the UN!* How? With the approval of our State Department, the UN appointed Mister Lehman to be the chief of UNRRA. He promptly appointed *Moscow-approved Communists* throughout the Balkans to serve as UNRRA distributors of all the food, clothing, medicines, etc., *provided by the United States*, for the relief of the starving and sick Balkan peoples . . . all those shipments were marked *"Made in USA"* — but on orders from Lehman all those markings were changed to *"Made in USSR"*. Lehman was caught red-handed in that act — his alibi was that he did that in order to make the Balkan peoples believe that Moscow was their great friend and benefactor — and thus cement *"friendship and PEACE between the Russian and Balkan peoples"*.

Do we need any more proof that *Communism* was created to be the horrendous "right" arm of the Internationalists' Great Conspiracy? . . . . or that the UN is an integral part of that Conspiracy?

Believe me, the ENEMY WITHIN, the Internationalists' Conspiracy, *with its traitorous tools in Washington*, is by far a greater menace to the sovereignty of the United States and the Freedom of the American people than *all* the Enemies *without!*

But there is one sure-fire solution for that entire prob-

lem—*get the U. S. out of the UN and hurl the UN out of the U. S. ! ! !* That positively will smash the entire Internationalist-Communist Conspiracy. Their entire Conspiracy rests on a One-World Government. Without the UN to "house" it, there can be no One-World Government — and the Conspiracy will have no place to go. So let's face the grim fact — *we have no choice*: it's get rid of the UN — or surrender the U. S. . . . *only one can survive!*

To many who will read this, the job of getting rid of the UN may seem to be an impossible one, but, I assure you, *it CAN be done!* And *to give full substance to my assurance I will cite a precedent*:

THE UWF PLOT

In 1947 a group of notorious Reds and Fellow-Travelers, on direct orders of the "Masterminds", organized what they called the "United World Federalists". Their objective was, of course, to transform the U. S. into a unit of a "One-World Government". And they had worked out a new technique, simple but amazingly crafty, to achieve that objective; to-wit: they would delude, seduce and/or bribe various State Legislatures into passing a carefully prepared "Resolution", requiring Congress to make that transformation. All they needed for the achievement of their objective was to have thirty-six States pass that "Resolution".

Now, of course, they knew they'd have to "railroad" that "Resolution" through all those Legislatures before the people could become aware of the heinous treason in it. *It had to be done very hush-hush!* Their first step was to get one State to pass the "Resolution" — and thus become a "pilot" (pied-piper) for all the other States. California was picked to be the "pilot" State. It took them two years, plus "tons of money" *(as expressed by Senator Jack B. Tenney)* to "sell" their "Resolution" to the California Legislature, but they did a near-perfect job. In March 1949 the California Legislature approved and passed the "Resolution" *unanimously—except for two Senators*: Jack B. Tenney and Hugh Donnelly. *And not one newspaper published a word about it—not one Radio "News" Commentator mentioned it . . . .* that's how hush-hush it was done! Senators Tenney and Donnelly demanded a review of the whole smelly "deal" by the Judiciary Committee. The "loaded" Committee rejected the demand. And the UWF promptly put on a blitz campaign in all the other States. *By mid-June they had "railroaded" 25 additional State Legislatures into passing the "Resolution" . . . all they needed was ten more States!* That was when Tenney came to us (CEG) for help. We promptly issued a "Special Bulletin" in which we unmasked the plot — and rushed copies of it to every member of every Legislature of every State. *That stopped the UWF dead in their tracks — they never got another State!*

However, we knew that merely stopping their progress would be only a temporary victory — we knew that as long as that "Resolution" would remain in full force and effect in those 26 states the UWF would simply wait until the expose would be "forgotten" and then pick up where they had left off. Only rescission of that "Resolution" by all the States that had passed it would completely unmask the UWF and smash their plot.

That was easier said than done. We could not possibly fight the UWF in all of the 26 States. We were at that time a young organization, ill-equipped financially for a nation-wide fight. Also, outside of California, our membership was too thin for it. Therefore, we had to concentrate our efforts where it could best become a symbol *and an example* for all the other States . . . the UWF had made California their "pilot" State — we decided to make California *our* test State.

Thus, our first step was to bring the UWF to "trial" *(a public hearing)* before a joint session of the California Legislature. *But that, too, was easier said than done!* We knew that, except for Tenney and Donnelly, we would get no help from any of the Assemblymen and Senators — indeed, many of them were so deeply *and guiltily* involved with the UWFers that they were bound to oppose us . . . Likewise, we knew that the *controlled* Press and Radio would go all-out to oppose us. There was only one thing that could overcome all opposition — and that was *"the voice of the people."* That is the one thing all politicians respect and *fear*. The dread of *every* politician is a finally alerted and *angry* constituency. And, believe it or not, your newspaper publisher and Radio Station owner stands in exactly the same dread of a finally alerted and *angry* people. So it was up to us (CEG) to awaken and alert the loyal Americans in California. We had only one way to do it — by stating all the facts about the UWF traitorous "Resolution" in pamphlets, Tracts, and in personal addresses before all civic groups.

And that was exactly the campaign we launched. As a matter of fact, *that was the first time that we issued a "Tract" which the individual voter could sign and mail to his Senator and Assemblyman* (or Senator and Representative) *demanding action with an "or else" ultimatum.*

Limited space prevents my going into the details of that "campaign". Naturally, the UWF launched a frenzied counter-offensive. The once-respected "Christian Science Monitor" spearheaded a personal attack on *"Myron C. Fagan, anti-semitic leader of a lunatic fringe that would stand in the way of PEACE"* . . . Chet Huntley, the UWF's Radio "voice", launched an even more vitriolic attack in his daily broadcasts. But, if anything, their violent "smears" helped us. Throughout the months that followed, an ever-mounting avalanche of angry letters, signed "Tracts" and pamphlets kept pouring into the offices of the State Senators and Assemblymen. Finally, in March 1950, the California Legislature capitulated — and ordered a public hearing of the UWF "Resolution" — and at that hearing we established *(via forced admissions by the UWFers)* the following: 1) *The UWF was created and organized by 42 notorious Reds and Fellow-Travelers* . . . 2) *Their unlimited finances were provided principally by the Internationalist-Communist Conspirators,* such as the Warburgs, the Lehmans, the Rockefeller interests, etc. . . . that the UWF's one and only objective was to transform the U. S. into a unit of a *"Federated One-World Government"*, to which the U. S. would be required to *"transfer all Armed Forces, including the Atom Bomb"* — and to abolish the Stars and Stripes as our national Emblem, and/or to make it subservient to their One-World (flag) Rag!

That was the end of the UWF and *their* One-World plot — it unmasked them as a gang of vicious and despicable traitors. Everyone of them should have been tried and hanged as a traitor — *but treason seems to be a minor offense in this unhappy day and age!* Anyway, on April 7, 1950, the California Legislature rescinded that UWF "Resolution" — *and within the following 60 days 23 other States followed suit.*

OUR PATTERN FOR SALVATION

The smashing of that UWF plot was a great victory. But it was more than that — *it gave us the pattern for the salvation of the nation!* It showed us . . . No. 1) That if we can get the *true* story to the people — *and convince them* — they will do the rest . . . No. 2) It revealed that our greatest obstacle, fully as dangerous as the Conspiracy-control of the Press, Radio and TV, is the disloyalty, the treachery, the downright TREASON of the men into whose hands we entrust the destiny of our nation — the men we place in their high offices . . . the following will show how:

As I have already established, the "United Nations" is the heart of the Internationalists-Communist Conspiracy — *get the U. S. out of the UN trap and it will torpedo the entire Conspiracy.* Shortly after we produced "Thieves' Paradise" in Washington, D. C., *to show the truth about the*

UN to the members of Congress, we issued our "UN Tract No. 1", in which we provided *documentary* evidence that the UN had deliberately betrayed us in the Korean War — *that the UN was directly responsible for the murder of all our boys in that war* — that a UN official (Moscow's General Vasiliev), *on leave of absence from the UN,* was the secret Commander-in-Chief of the No. Koreans and Chinese Reds — *and we particularly stressed the secret agreement between traitor Alger Hiss and Molotov whereby a Moscow Red was ALWAYS to be Chief of the UN Military Secretariat ! ! !*

That "Tract" created a sensation — copies came pouring into Congress by the many thousands, demanding that the UN be investigated — *and here is how the State Department and the Pentagon protected the UN*:

Both issued official statements refuting our charges, insisting the UN had no Military Secretariat — and jeeringly challenged us to *prove* the existence of the *oral* "secret agreement" between Hiss and Molotov. That automatically created a doubt about our charges — *and took the "heat" off the UN.* But, lo and behold, shortly after Trygvie Lie *"resigned"* as Secretary-General of the UN, he wrote a book, in which he fully confirmed that "secret agreement" — *and revealed how he was forced to abide by it.*

(Note: *Title of Lie's book is "IN THE CAUSE OF PEACE". It can be found in all public libraries. The statements referred to are on pages* 45 *and* 46. *MCF.*)

Thereupon we issued our "UN Tract No. 2", in which we quoted that confirmation — *verbatim.* Once again, thousands of *both* "Tracts" came pouring into Washington — various members of Congress began a movement to bring in the UN for a thorough "hearing" . . . and once again the State Department rushed to the rescue of the UN! They did not deny the Trygvie Lie statement, but, *by innuendo,* they indicated that we (CEG) had deliberately *misinterpreted* Lie's statement. *This, despite the prima facie evidence in the book.*

As a result, all talk of a Congressional hearing of the UN was dropped. Thus, *once again, the men to whom we entrust the destiny of our nation prevented an investigation that would have revealed the UN to be a death trap for the U. S.!*

Well, then came the plot to repeal the Connally Amendment — which would have hurled the U. S. under the *compulsory* jurisdiction of the UN's World Court — a "Court" composed of one American *and fourteen foreign and COMMUNIST Judges.* We promptly revealed the plot in our "News-Bulletin" — and simultaneously issued our "World Court Plot" Tract. And this time *nobody,* not Eisenhower, not Nixon, not Rogers, not the State Department, could refute the charge . . . instead, they came out with a feeble *and nauseous* alibi that all those foreign and COMMUNIST Judges are honorable men, who would not use their unlimited powers to take advantage of the U. S.! They even indignantly accused us of "smearing" and attacking the integrity of those "honorable" foreign and COMMUNIST Judges — *God help us!*

But, this time the people were not fooled. Angry letters, telegrams and signed "Tracts" in the many thousands poured into Washington. That volume terrified the Senators. Despite all the frantic pressures by Eisenhower and Lyndon Johnson, they warned Senator Fulbright that they would have to vote against the Repeal Bill . . . *Fulbright did not submit the Bill to a vote!*

And therein we have the proof that the salvation of our nation lies in the hands of *the people* — it proves that no man in Washington, from the President down, dares to defy an angry and aroused people — *it proves that if ever we lose our country it will be our own fault!* We won this fight to prevent the repeal of the Connally Amendment. Many people see it as a great victory. Well, it's not — it's a very small victory. It *could* have been a great victory — *a total victory* — if we had gone through with what we had set out to do, *as outlined in the "World Court" Tract.*

To make that point clear, I will again stress two vital factors in our War with the International Communist Conspiracy — factors I have stressed, many, many times.

No. 1:— We, the American people always generously forgive our foes after we have achieved victory over them. Once aroused, we fight like tigers until we achieve victory — and then we forgive and "forget" — on the theory that the "war" is over.

No. 2:— But, *this* "Enemy" never quits! They wait until the people "forget" — then they pick up where they were forced to leave off. With this Enemy our proneness to forgive and "forget" can prove fatal for us — because with this Enemy we are in a total war which we cannot settle with a small victory — it is a war that means survival or death for our nation. With this Enemy we must stay awake and never cease fighting until we achieve *complete* victory — and complete victory will come only when and if we completely unmask the Masterminds and the tools of the Great Conspiracy. That is why we cannot accept any small victories in settlement of this war — why we must not let small victories induce us to "forget" and go back into slumberland . . . *our present small "World Court" victory proves that point*:

In our (CEG) "World Court" Tract (and in earlier News-Bulletins) we revealed the World Court plot in all its grisly details; we stressed that repeal of the Connally Amendment would be a giant step in the One-World (UN) Government Conspiracy; we named the men (Eisenhower, Nixon, Rogers, Herter, Humphrey, etal) who launched the repeal plot as direct and witting tools of the Masterminds of the Great Conspiracy. And we urged the people to *"come awake"* and demand that Congress (A) *Smash the "repeal" plot;* (B) *hale the UN in for an open-to-the public Congressional hearing;* (C) *investigate the men* (via impeachment proceedings) *who launched the "repeal" plot.*

Well, the people "came awake" — and the frightened Senators killed *(temporarily)* the plot to repeal the Connally Amendment. That so elated the people that they accepted that small *(and temporary)* victory as a settlement of the whole issue. They stopped pressing for a Congressional investigation of the UN—and of the men who launched the "repeal" plot. They are satisfied with their small "World Court" victory . . . and already they are beginning to "forget" — that tremendous volume of angry letters and signed "Tracts" that so terrified the Senators is diminishing into a trickle . . . and already the "Masterminds" are busily preparing new "Bills" which their tools will submit to Congress — *Bills that can slip the "World Court" over on us piecemeal ! ! !*

Now, *unquestionably,* Congressional investigations of the UN *and of the tools of the "Masterminds"* would have unmasked — *and smashed* — the entire Conspiracy. That avalanche of angry letters and "Tracts" had so impressed all members of Congress that just a little more pressure would have forced both investigation proceedings. Why did the people accept the small victory — and stop pressing for the ultimate victory? The answer is more or less obvious.

No. 1) The rage of the people was concentrated on the "World Court" plot — because they saw its great menace to the sovereignty and freedom of the United States; they did not sense that the "World Court" would be an equally dire menace to their own individual lives and freedoms — those who did sense it, assumed that the smashing of the plot would serve for them as well as for the nation. And having achieved that (small) victory they see no need for "punishment" of those who instigated the plot and/or of those who tried to carry it out . . . they just do not see, *or understand,* that until we unmask and destroy the er

tire Great Conspiracy our nation and every individual one of us will always be in danger of losing our sovereignty and our freedoms . . . they just do not see that the UN is the heart of that Conspiracy — and that until it is completely unmasked by a Congressional hearing, that Monstrosity will continue to plot and scheme and connive until it achieves, *with the help of the traitors WITHIN our Land,* its objective of transforming the U. S. into an enslaved unit of its One-World Government.

That is why we MUST have an open-to-the-public Congressional investigation of the UN! . . . *We must find out why the UN, a group of foreign and Communist agents of foreign and Communist nations, are so determined to get this (GENOCIDE) life and death power over all of the American people . . . We must find out why the UN is so determined to get COMPULSORY jurisdiction over our country for its World Court, composed of foreign and Communist Judges . . .*

We must find out why those men in Washington, to whom we entrusted the destiny of our nation, have been, AND STILL ARE, desperately trying to give all those horrifying powers to the UN — why our State Department sponsors and finances UNESCO, UNICEF and other UN schemes and anti-American objectives.

Note: *Limited space prevents a complete outline of the UN's various schemes, but our next "News-Bulletin" (No. 77), will be: "DOCUMENTATIONS OF UN PLOTS FOR TAKE-OVER OF U. S." The title speaks for itself. I urge all readers to place orders NOW — it will scare the daylights out of you, but it will wipe all doubts and hesitations out of your mind. Price is 50c per copy.*

"IMPEACHMENTS" A VITAL NEED.

The chief objective of this "Special Bulletin" is to get the full *frightening* story of the UN plot to the American people. Therefore, I shall avoid bringing into it any other subjects that might distract from it. However, with a Kennedy or a Nixon in the White House our need to set up an "Impeachment" precedent is fully as urgent as the fight to prevent repeal of the Connally Amendment — *both Kennedy and Nixon are determined upon the repeal!*

To *fully* understand how vital it is, I earnestly urge the reader to get a copy of our May-June, 1960, "News-Bulletin" (No. 76), entitled: "ONLY IMPEACHMENTS WILL SAVE OUR COUNTRY" (50*c per copy*). Anyone who will read it will never stop pressing Congress until we achieve it.

Our three most important objectives, in the order of their most immediate urgencies, are: —1) Prevent repeal of the Connally Amendment, *in whole, or piecemeal;* . . . 2) A Congressional investigation of the "United Nations"; . . . 3) Impeachments of the men who launched the plot to repeal the Connally Amendment — and of Earl Warren and the U. S. Supreme Court Justices who have rendered "Decisions" to protect Communists and to aid and abet the Great Conspiracy.

1) Our *"World Court"* Tract stopped the plot to repeal the Connally Amendment — but already they are trying to accomplish it piecemeal — we must pour signed copies of that "Tract" to all members of Congress as a warning that *the people* are watching them;

2) We *must* force a Congressional "hearing" of the UN; our *"UN Tract No. 1"* reveals the entire plot and the UN Korean War betrayals . . . the *"UN Tract No. 2"* confirms the plot and contains *Trygvie Lie's confirmation of the secret agreement between Hiss and Molotov* . . . we must use the two "Tracts" as a unit — and keep *pouring* signed copies to every member of Congress until the "hearing" is ordered;

3) Our *"SCJ No. 1" Tract* calls for the impeachment of Earl Warren and his Associate Justices — it contains the proof of their treason. *That impeachment alone can blow the whole Conspiracy wide open!* We came very near achieving it with the Jenner Bill, which was defeated by one vote — *because the people stopped demanding it!* This time we must keep *pouring* in our demands *(signed Tracts)* until we achieve it.

But our "GENOCIDE PLOT" Tract is our A Bomb! They can deny Tract No. 1 — they can cast doubts on Tract No. 2 — they can even try to alibi the "World Court" Tract — but they cannot squirm out of the "GENOCIDE PLOT" Tract. We must make every White American — *man, woman and teenager* — read that "Tract". It will scare the living daylights out of them, but it will make them realize that this is *their* fight, not only for the salvation of our nation, but for their own lives and freedoms.

If just a few million *Americans* will join in this fight Congress will obey our demands. But we must use *all* the weapons we have. Please, *for the love of God and Country,* — urge all your relatives, friends and neighbors to sign all the "Tracts" and send them to their Senators and Representatives with an *"or else"* ultimatum . . . and tell them to urge all *their* relatives, friends and neighbors to do likewise — *it means our salvation!*

One more point: we must launch this new Crusade on the theory that all our past "Tract" campaigns are down the drain — *they're not actually* — all of them are well planted—they are a collective foundation for *this* Crusade—they will serve as a reminder . . . but politicians *(Senators and Congressmen)* have to be reminded — and reminded — *and reminded* . . . the greater the volume of demands for *action* we pour in to them, the sooner will they realize that their constituents mean BUSINESS!

(Note: Until November all Congressmen will be politicking at home. This is when they will be most vulnerable. Send your letters and "Tracts" to their homes — you can get the home addresses from your Post-office; or local Federal office; or from local Party headquarters. MCF.)

ANOTHER WAY YOU CAN HELP.

As I said, we must launch this Crusade as if from scratch. That means we must once again contact all patriots throughout the nation who co-worked with us in the past — approximately 25,000 individuals. We are sending this "Special Bulletin" and Tract to 10,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. Please finance a few letters for us. One dollar will finance 8 letters — $10.00 will finance 80 letters — $100.00 will finance 800 . . . also, you may have a group of friends and neighbors whom you'd like to "alert" but can't spare the time — *or prefer to remain anonymous* — send us the list and the financing and we will be *very* glad to do it for you.

Please RUSH your orders for the various "Tracts": UN No. 1 . . . UN No. 2 . . . SCJ No. 1 — to force impeachment of Warren . . . the "World Court" Tract to prevent repeal of the Connally Amendment . . . and, of Course, the "GENOCIDE PLOT" Tract. (Also, to get the full stories, "News-Bulletins" *Nos.* 76 *and* 77). Please order NOW — TODAY — tomorrow you may forget. All our "Tracts" are $2.00 for 100 copies . . . Our Country is at stake — *"praise the Lord and pass the ammunition"!*

Yours for God and Country,

Myron C. Fagan

P.S. Additional copies of this "Special Bulletin" *(including "GENOCIDE" Tract)* can be had for 10c (1 to 10) per copy — or 8c per copy in greater quantities.

Dear Miss Barker:

Your letter postmarked November 9, 1960, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry.

I would like to point out that some of Mr. Fagan's literature of the Cinema Educational Guild, Inc., has contained information that the records of the persons named could be documented in the files of the FBI, among other agencies. I can assure you that neither Mr. Fagan nor any of his associates have had access to the files of the FBI. Enclosed is some material pertaining to the general subject of communism which may be of interest.

Dear Sir: Cinema Educational Guild Inc.

Here in Floydada, a small town in Texas, our school teachers are getting a lot of information about Communism. This information has been edited by a man whose last name is Fagan. The information tells who in the entertainment and news world belong to the Communist party.

This has been the main subject around Floydada High School for some weeks now. And we believed this information. But we were asked by a teacher, "What about Fagan?" It had never entered our minds. What if Fagan was wrong? These people he reported on are people we believe in and trust. Should we Believe Fagan? If his information is true, why can't we do something about these Communists? If Fagan isn't right, why can't we stop him?

Maybe we just don't understand Communism and it's powers. But from what we do know, we don't want it in America. Please, Mr. Hoover, help us to help ourselves. Tell the people of America what to do.

I would sincerely appreciate all the help you could give us concerning this subject. Will you help us?

Very truly yours,

Melinda Barker

NOTE ON YELLOW:

Correspondent has received a pamphlet from the Patrick Henry League and before subscribing to it wants to determine "its anti-communistic authenticity." He requests any information we may have available concerning the organization. He also requested any available background information concerning Nathan Straus, President of Radio Station WMCA and Barry Gray, also with this same station. If we cannot furnish the information, he requested us to direct him to the proper channels. Bufiles contain no identifiable information concerning correspondent.

Bufiles indicate that the literature issued by the Patrick Henry League which has been brought to our attention has been extremely anticommunist and the organization is apparently an anticommunist organization.
62-87267-257
62-0-59440

Straus has not been investigated by the Bureau but a company owned by him has been indicted and fined under the Sherman Act. In 1942 he was critical of the Bureau for investigating liberals. An employee of his radio station was determined to be a Russian intelligence courier in the Jack Soble espionage investigation.
100-382686

Gray has not been the subject of a Bureau investigation; however, we have had complaints and allegations concerning him from persons who have heard his early morning disc jockey show. He is a highly controversial figure and apparently delights in stirring up arguments. In the past he has been engaged in a running feud with Walter Winchell.

Dear Sir;

I am enclosing six tracts which I have read. So that I may be of help and to prove to others who do not believe these facts to be true, will you verify for me in a letter that these are true facts. I find I am going to have proof or my work will get me no where.

I would also like to know if, "Free Men Speak Inc,
P.O. Box 4168,
New Orleans 18, Louisiana
a booklet or leaflet on (Tax facts) are a reliable source. Or is it more propaganda?

Now another question. I heard via Radio, that John Kennedy, the presidential hopeful, (and he may be president before I receive an answer) went through a number of schools in Russia after he finished school here in the United States. Is this true? If so I would say he's playing right into Russia's hands or helping them so they can really work on the United States. True or false? All this besides helping the Catholics make every American Protestant a Catholic under the Catholic rule or religion if you can call it religion. I can't.

Now, would you please answer all of the above questions on one sheet of paper. The next questions I am going to ask are a little more personal for my part and I would not want to show this to the public unless necessary.

I am very uneasy about Our Capital in Lincoln. There is Red influence up there. It shows more every day. How does one go about finding out who they are? and what can I do or any one else do if we could find out?

In our small town of Geneva, (we have been here 5 years) we have some of the biggest crooks in all of Nebr, I would venture to say. This is a funny town. If you belong, you're alright. If not, you're an outcast. Just think of it, in such a small town. The lawyers here destroy wills, if they are left in their hands. They get away with thousands of dollars plus other valuables that heirs should rightfully receive. What happens? Every lawyer you get to work on a case gets just so close to them, then they pay off so the lawyer on the case shuts up & closes the book. Even the people up in Lincoln at the capitol do nothing. You think communism isn't working in Nebraska or even Geneva? I truly believe it is. What can be done to bring these people out in the open & dis-bared?

Now one more question. Where can I get the political back grounds of all people who are running for an office either in Nebraska or Washington? The information will not help in this election but I would like to know how we can be sure we're not putting a communist in a public office? Someone has to start the ball rolling & I may as well be one of those someone's.

I may well get into hot water over these lawyers here but I am surely getting tired of seeing them get away with such things. Thats why I want these last questions answered on a separate sheet of paper.

I would like to have these tracts sent back unless you see fit to keep them.

Sincerely,

/s/ Mrs. George Hull,

mation, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefields and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — **and 145,000 American boys were maimed and MURDERED in Korea ! ! !**

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: **"Our problem is to get the story to the people"** . . . . the people, **only the people** can FORCE Congress to act.

YOU can solve that problem - **with this Tract!**

You owe it to America — **and to your own children** — to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN **on open trial** before both Houses!

Send **signed** copies of this Tract to your Congressman and Senators — tell them if **they** won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT ! ! !

— UN TRACT No. 1 —

Why we MUST get the U.S. out of the UN — and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins provide

DOCUMENTARY PROOF

that

UN is PLANNED DEATH - TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . **"All the American Boys who were killed in Korea were really murdered by the UN."**

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . . it was produced in Washington so as to put the UN on **open trial** before all the Members of Both Houses of Congress — from now on there can be no **"I didn't know" alibis!**

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . . to brainwash our Youth through UNESCO . . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Synghman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . . so Alger Hiss and Molotov entered into that secret agreement — **with Trygvie Lie in on the secret!**

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?

"STEFAN: — Exactly! That's what happened in Korea. General MacArthur was Commander-In-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Visiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

—•—

More than 200 Senators and Representatives saw "Thieves' Paradise". **All** were horrified by what they heard. SCORES said . . . . **"If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"**

The UN did **not** file a libel suit . . . **they didn't dare** . . . . because **their own records** show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post **continuously** from 1945 to 1951 . . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same **UN records** show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him **sole** command of all UN military affairs! ! !

—•—

Confirmed by U.S. State Dep't.

—•—

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) **"Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET")**, reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . . and (under UN Regulations) **"all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations"** . . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

"Department of Defense, Office of Public Infor-

but they will continue to commit that treason **until we, the American people, stop them!**

There is only one way to stop them – remove them from the high offices that enable them to commit that treason, via IMPEACHMENT! The impeachment proceedings and hearings will establish whether they are innocent or guilty.

Our Constitution states that:

"The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to . . . **"consist of levying war against them** (the US), **or in adhering to their Enemies, and for GIVING THEM AID AND COMFORT"** . . . it also declares that . . . **"Congress shall have the Power to declare the punishment of Treason"** . . . whether committed by a President, a Vice President, a Senator, or a Supreme Court Justice!

And in Article One, Section Three, the Constitution states: **"The Senate shall have the sole power to TRY all Impeachments . . . Judgment in Cases of Impeachment shall not extend further than to removal from Office and disqualification to hold and enjoy any office of Honor, Trust, or Profit under the United States . . . BUT THE PARTY CONVICTED SHALL NEVERTHELESS BE LIABLE AND SUBJECT TO INDICTMENT, TRIAL, JUDGMENT AND PUNISHMENT, ACCORDING TO LAW".**

Fellow American, the United States belongs to the American People, not to the men to whom WE have given their high offices. Repeal of the CONNALLY AMENDMENT would be **High Treason** to the U. S. and the American people . . . **and every individual who attempted it must be tried in accordance with the rulings of our Constitution!** . . . and it is the sacred duty of ALL loyal Americans to our Country – **and to their own children** – to DEMAND such action from their Senators and Representatives.

And to these Americans who insist that Eisenhower **"can do no wrong"**, we say: LET CONGRESS DECIDE IT – the way our Constitution tells us to have it done.

NOTE: A complete exposition of the entire "World Court" plot, and the dire consequences of the repeal of the "Connally Amendment", can be found in the CEG "News-Bulletin" No. 73, by Myron C. Fagan. You can get a copy of this startling book by sending Fifty-Cents to "Cinema Educational Guild, Inc."

Every member in both Houses of Congress has a **sworn** obligation to protect and defend the United States, the Constitution, the American people . . . Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to **fulfill their oaths** – to summon **forthwith** for proper trial all those named herein who collaborated in the plot to repeal the CONNALLY AMENDMENT.

"WORLD COURT" Tract

~~U. S. A.~~

ABOLISHED
BY
DECISION
OF
UN WORLD COURT!

That is what will happen if the CONNALLY AMENDMENT will EVER be repealed ! ! !

★ ★

The **CONNALLY AMENDMENT** is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government ! ! !

★ ★

To Save Our Country, we must

IMPEACH

All those who attempted – **and are still plotting**– to repeal the CONNALLY AMENDMENT . . . read – **and digest** – the following and you will see why it is a MUST.

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT – but particularly to transform the United States into a unit of that One-World Government . . . **because as long as the United States remains free they can never achieve their plot ! ! !**

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER **without reading it!** Why? . . . We don't know – **but that is how it was done!**

In that CHARTER the conspirators inserted several crafty provisions – provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT – and to transform the U. S. into a unit of that "government" . . . **without the American people knowing it, or realizing it, until it was a fait accompli – and from which we could not pull out ! ! !**

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", **answerable only to the UN,** is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices – **all appointed by the UN, without approval by the U. S.** . . . Ostensibly, this "Court" was to have jurisdiction **only** of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal – in short, of all our Domestic affairs, as well as Foreign – **and there could be no appeal from its "Decisions" ! ! !**

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in Paris, or in Bombay, by a Tribunal designated by the "World Court" – and he could not appeal to **our** Constitutional Laws–or be defended by an American lawyer – **and the United States could do nothing about it** . . . and GET THIS: the jurisdiction of the "World Court" would include . . . **"the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter"** . . . and, of course,**criticism** would be an "offense" ! ! !

And there you are – that's why, once we'd be engulfed, **by "World Court" DECISION,** in the UN One-World Government we could never pull out . . . **who would dare to commit the "offense" of protesting?**

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" – and on December 17, Congressman Herter (now Secretary of State) submitted a similar "Resolution" to the House . . . **and again the Senators were about to ratify that "Resolution" without reading it!**

But, by the grace of God, Sen. Tom Connally DID read it – and saw in it the complete surrender of the U. S. to the UN, **via the future "DECISIONS" of the UN's "World Court"** ! ! ! And, **in the nick of time,** he quietly insisted upon the addition of **six little words** that were to protect the United States from the "World Court" future "DECISIONS" – those **"six little words"** were : . . . **"as determined by the United States."**

And THAT is the Connally Amendment . . . **it is the only thing that has kept – and is keeping – the United States from becoming an enslaved province in a United Nations "One-World Government".**

Yet, our President, Dwight D. Eisenhower, DEMANDS that the Connally Amendment, **our only safeguard,** be repealed . . . Vice President Nixon, U. S. Attorney General Rogers, Secretary of State Herter and Senators Morse, Humphrey, Javits and Clark demand that it be repealed – **that the "UN World Court" be granted full and COMPULSORY jurisdiction over the U. S. and the American people ! ! !**

Well, REMEMBER THIS WARNING: If the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" – and then . . . **in order to give the UN the "POLICE FORCE" it will need to enforce PEACE** . . . there will be more "World Court" DECISIONS that will require **(polite word)** the U. S. to transfer **(surrender)** our Armies, our Navies, our Air Force our Nuclear weapons to the UN . . . **exactly in line with Eisenhower's "Disarmament" program** – and his plans to **"strengthen the United Nations" ! ! !** . . . **And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence – the end of a free United States** and a FREE American people!

Dwight D. Eisenhower KNOWS all that – Nixon, Rogers, Herter, Morse, Clark and Humphrey KNOW it . . . they KNOW that they are betraying their oaths to protect and defend our Constitution – that they are betraying the American people . . . **they KNOW that repeal of the Connally Amendment will open the gates of America to the Enemy,** exactly as Quisling opened the gates of Norway to Hitler's Nazi hordes . . . they KNOW that it is TREASON –

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that t would be expedient for him to "forget" all about **rights"** and **"terms of the Charter"**: Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — **he also confirmed its permanency!** After that, says Mr. Lie **". . . it would not have been politic for me to resist that (secret agreement) accord."**

He then reveals what little authority he had in all such matters, even in the **choice** of the Russian to fill that all-important post, although, **under the Charter,** he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that **"his was not to reason why, his was but to obey** — OR GET FIRED!

WE NOW HAVE THE PROOF ! ! !

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—**evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN

But Congress won't act unless **"the people"** DEMAND that they act — and the people won't DEMAND until they know **what** to DEMAND. Senator Jenner said: **"Our problem is to get the story to the people"** — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — **coupled with Tract No. One!**

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1959 - UN TRACT No. 2 - 1959

THE TRUTH... ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" **to prevent Communist aggression** (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, **they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee!** GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGESSIONAL RECORD", and demanded that the UN be hauled up for a thorough **(open to the public)** hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get **"the people"** to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we **quoted** sections of **"U. S. Government (TOP SECRET) Bulletins"** which OFFICIALLY confirmed all those charges . . . **Those TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a **"leave of absence"** from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL the American boys who died in Korea were MURDERED by the UN — **as a result of that Hiss-Molotov secret agreement ! ! !** . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washignton . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — **and that would mean the end of the UN ! ! !** . . . And then the State Department came to the rescue of the Conspirators — they issued an **"official statement"** in which they denied our charges — and virtually proclaimed that their own original **"U. S. Government (TOP SECRET) Bulletins"** were falsehoods. And, promptly, the UN and ALL the UN Fronts — **and the State Department** — flooded the nation with that false and misleading **"official statement"!**

Now, get this point: in their denials, those **"official statements"** never once **named** the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit **all** charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce **DOCUMENTARY evidence that such an agreement had ever been made!**

That strategy worked perfectly! **And why not?** After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely **they** wouldn't be guilty of deliberate falsehoods! **Oh, no?** Anyway, "the people", **confused**, believed **them.** The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — **maybe to clear his conscience.** Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his **(verbatim)** statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "**. . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won**

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, **under the "Genocide Treaty" provisions,** you could not choose an American lawyer to defend you — **the UN would appoint your defense lawyer . . . .** nor, **under that provision,** could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — **and the U. S. Government could do nothing to prevent it!**

Thus it is clearly obvious that the real objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a **UN One-World Government.** Once our Senate would ratify the **"Genocide Treaty",** or its twin, the **"Covenant of Human Relations",** the UN would find a hundred ways to twist your opposition to **"One-World Government"** into an **"act of Genocide"** — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — **and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?**

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — **before it is too late** — by sending **signed** copies of this document, **to act as an urgent "Petition",** to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us **out of it.**

THE "GENOCIDE" PLOT

TRACT

Flash . . . FLASH . . . FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"! . . . .

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — **because under our Constitution a Treaty becomes the Law of the Land.**

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, **architect of the UN,** arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . . ."

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! . . . . What big-hearted generosity ! ! !

Anyway, **that** was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the **controlled Press and Radio** repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, **and more,** with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a **completely compulsory** jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention and Punishment of the Crime of Genocide" . . . .** the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, **so they said,** to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany . . . . **the records show that there were never more than 600,000 Jews in all of Germany** — but **six million** sounds more impressive, so the UN insists upon **six million.**

Now, first of all, **bear in mind** that under the "GENOCIDE TREATY", **when and if our Senate will ratify it,** all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . . ." also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

—o—

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", **always stressing Hitler's murder of the "SIX MILLION" Jews.** But, as we go through all the **fine print** in the Treaty, we find that you wouldn't have to participate in the **mass murder** of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . . then, lo and behold, we discover that you wouldn't have to **even** go as far as **killing** to be guilty of "Genocide", for if you caused **"physical or mental injury"** to a "minority group" member you would be just as guilty of "Genocide" as if you had killed **"six million"** Jews or Negroes — **(Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).**

In other words, **under that provision,** if you got into a fist fight with a Jew or Nego and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him **"mental anguish"**, and that **"anguished"** minority group member could bring a charge of "Genocide" against you. Thereupon, **under the "Genocide Treaty" provisions,** the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry–it chased Charlie Chaplin out of the country–it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises–they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM–ONE-WORLDISM–DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**– and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room–**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!–by **shunning** the theatres that show the REDS–by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once–you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately–and WARN him that if he will bring another RED into your Living Room you will never again buy his products–**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General – **or a Julius Rosenberg.** For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For **their** acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle – **or that was meted out to the Rosenbergs!**

—•—

Only Congress has the power to place a Supreme Court Justice on trial – via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress **to fulfill their oaths** – to summon forthwith for proper trial all those Justices who collaborated in those three treason-packed "Decisions".

—•—

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

FOR ***IMPEACHMENT***

—•—

For giving aid and comfort to the **COMMUNIST CONSPIRACY,** the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, **on the same charge,** are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites **– and thus mongrelize the American White Race!**

Documentary proof that this "Decision" **directly** conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . . the ADL and NAACP were created immediately after that – **to carry out that DIRECTIVE!**

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that – **"Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . . ."**

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND ! ! !

Furthermore, **by his own admission,** Warren ignored our Constitution when he wrote that "Decision" – admits he based it on the **"modern scientific authority"** of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . . There is one sure way to find out – **through impeachment proceedings!**

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots – and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function – that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI – **and to gain access to its files!** But it (FBI) was invulnerable to all their attacks – it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence – **if the Great Conspiracy was to succeed the FBI had to be destroyed!**

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" – the "Jencks" and the "Watkins" Decisions . . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . . they freed convicted traitors . . . . they muzzle our Congressional Committees . . . they nullify **all** our protective laws against the Communist Conspiracy . . . . **they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!**

Those **three** Decisions, **if allowed to stand,** will completely destroy all of our defenses – **they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!**

Under our laws, giving aid and comfort to an

Dear Mrs. Sparkman:

Your letter dated November 5, 1960, and enclosure have been received, and I want to thank you for your kind message concerning my administration of the activities of the FBI. I am also glad to know of your interest in my recent address to the National Convention of The American Legion in Miami Beach.

Although I would like to be of service, I regret to inform you that I am unable to comment relative to the contents of the pamphlet you forwarded since information in FBI files must be maintained as confidential and available only for official use in accordance with a regulation of the Department of Justice.

I can advise, however, that this leaflet has been brought to our attention on a number of occasions, and you undoubtedly noted that it contains a statement that the procommunist record of the individuals named therein is documented in the files of "Government investigating Agencies." It may interest you to know that the Cinema Educational Guild, Incorporated, Hollywood, California, and its national director, Myron C. Fagan, have never had access to information in the files of the FBI in the preparation of any material distributed by that organization. Enclosed is some material concerning the general subject of communism which may be of interest to you, and I am returning the pamphlet you sent with your letter.

NOTE: Bufiles contain no information regarding MacIntyre to preclude sending this letter. The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its National Director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's activities, and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files.

Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

Sunday 23 October 1960, Commander Miller and Myself visited Post #311, Lancaster, California to attend a breakfast and speak to Past State Commander, Steve Foote on how to obtain the pocket book "Masters of Deceit". While there we met Executive Committee Chairman Odum of the 10th. District who gave us this pamphlet along with a report from the Un-American Activities Committee.

X Don't Patronize Reds

Knowing that we, "The American Legion" is the number one target of the Commies on the American scene, and after reading the contents of this pamphlet it sounds as if some of them joined our ranks, to create dissension and unrest among our members, knowing how the Communist plan is to divide and conquer by creating unrest between organizations, its members, its government and the people. I became suspicious of this pamphlet.

It is hard to believe that some of our oldest American Indsutries have Communist tendencies, and according to this pamphlet it would be almost impossible for a person to watch T. V. I know some of the names of the actors listed have been investigated. I know also, that there are Communist in Government jobs, Politics and every part of Industry, also, some in our own American Legion.

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all** the **named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! Panic swept through the entire industry–it chased Charlie Chaplin out of the country–it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises–they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**... they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM–ONE-WORLDISM–DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**– and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room–**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!–by **shunning** the theatres that show the REDS–by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once–you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the bes[t] known of the REDS and FELLOW-TRAVELERS wh[o] made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET an[d] Radio. . . . WATCH FOR THEM! . . . Keep this lis[t] with you ALWAYS! . . . When one of them appear[s] on your SET send a copy of this Tract to the SPONSOR immediately–and WARN him that if he wil[l] bring another RED into your Living Room you will never again buy his products–**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

FACTS — TO GUIDE YOU

To properly appraise the plots, sub-plots and schemes of the UN that will be reviewed in this "News-Bulletin", the reader must at all times keep uppermost in mind the following three vital facts:

No. 1) That there is an Internationalist-Communist Great Conspiracy *(quite apart and distinct from the generally known Moscow Communist Conspiracy)* to destroy the sovereignty of our nation and to transform the United States into an enslaved unit of their planned One-World Government . . . *even more important,* you must understand that the seat of this Internationalist-Communist Conspiracy is not in Moscow, *but within our own United States* — and that the Master-Plotters of *this* Conspiracy are not the hoodlums in the Kremlin, but the Internationalist (gangsters) Bankers in New York — *and their puppets and tools in Washington!*

No. 2) That the "UNITED NATIONS" is the crux *(the heart)* of *this* Conspiracy — the trap in which the United States is to be stripped of its sovereignty, and we, the American people, of all our Freedoms — the trap in which the United States is to be absorbed and enslaved by a so-called UN One-World Government, exactly as Poland and all the Balkan nations *(and HUNGARY)* have been absorbed and enslaved by Moscow . . . *and the bait they used (and are using) to lure us into this trap was PEACE!!!*

Now, undoubtedly, a considerable majority of the American people, *and ordinarily well-meaning ones, at that,* will reject the above statements as being utterly incredible. Well, that is understandable, because during the past half-century, *but especially since* 1945, our people have been steadily brainwashed by a *completely controlled* Press, Radio and TV *(ALL Mass communications media)* into the belief that our only mortal Enemy is Communist Moscow — *and that our only hope of PEACE is the "UNITED NATIONS"* . . . well, for those I submit the following *facts* to guide their thinking:

3) Unquestionably, we must accept that Communism is our mortal foe and most deadly menace. But it is even more important that we clearly understand the *true* menace of it — that we fully realize that the *real* menace of it is not *without,* but WITHIN the United States — that it was created by the Masterminds of the previously mentioned *"Internationalist—Communist Conspiracy" to* serve as a *camouflage* for their infinitely more sinister and far more dangerous Conspiracy *within* our Land!

To remove all doubts about the above *facts,* I will remind that

it was Jacob H. Schiff (Kuhn-Loeb & Co.), the American Hierarch of the Internationalists' Great Conspiracy, who masterminded the Lenin-Trotsky take-over of Russia... that it was Schiff who financed the training of Trotsky's several hundred New York thugs for that take-over . . . that it was Schiff who provided the ship, plus 20 millions in gold, for the juncture with *(Rothschild financed)* Lenin and *his* gang... that it was a Warburg, Schiff's Lieutenant in Germany, who provided the sealed freight cars to sneak the Lenin-Trotsky *Bolshevik* "army" into Russia . . . that it was Schiff who (in 1918) sent Col. Mandel House to Moscow with *orders* to Lenin to change the name of his regime from Bolshevik to Communist — and to adopt the Marx Manifesto as his "Constitution." *And Lenin obeyed!!!*

Now, all of that is not just hearsay — there is ample *documentary* evidence for every statement in the above. Furthermore, that is by no means all there is to that story, but at this point my chief desire is to prove beyond the slightest doubt that Communism was created by our own home-grown Internationalist Conspiracy (our ENEMY WITHIN) to serve as their chief instrument to terrify us into seeking safety and PEACE in their planned One-World Government — and thus establish that the "UNITED NATIONS" is the heart of their Great Conspiracy — and that it has been set up to become the housing for their One-World Government. And now I will proceed to unmask the various tricks of the UN to accomplish that objective.

THE FIRST UN TRICK

As we know, the chief architects of the UN were Alger Hiss, Harry Dexter White and Molotov. Likewise, it was Alger Hiss, in collaboration with Molotov and Dalton Trumbo *(notorious Hollywood Red),* who wrote the UN Charter. That alone should outlaw the UN. But, of course, at that time Hiss was not generally suspect — and Molotov was our "ally". Just the same, they took no chances — they employed great guile and superb craft in the writing of that Charter. The average (unsuspecting) individual could not readily pierce through the camouflage covering the evil and sinister intent of its various provisions. However, with a document of that kind, there is always the danger that it would come under the observation of some realistic and legally trained individual who might see through all the double-talk and sound an alarm. Therefore, it was vital that the whole thing be carried off with such secrecy that

neither the American people nor Congress would "smell a rat" until after the "Treaty" was approved and signed. In other words, the "Charter" would have to be signed without too much scrutiny — *in fact, with no scrutiny whatsoever!* So, for weeks before the San Francisco Conference, *and until the "Treaty" was actually signed,* our *controlled* Press and Radio poured on a continuous stream of PEACE propaganda . . . their theme song was: *"Only a United Nations Organization can prevent wars in the future!"*

And then, to complete the brainwashing, during the days immediately preceding the submission of the "Charter" to the Senate, the Press, with great fanfare, published the opening sentence of the Preamble of the Charter, which grandiloquently proclaimed that the UN was organized *"to save succeeding generations from the scourge of war"* . . . and for further assurance that the UN would never intervene *(that's the word Castro uses to seize and steal all American properties in Cuba)* in our domestic affairs, the press FRONT PAGED the seventh paragraph of Article 2, Chapter 1 of the Charter, which states: . . . *"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any state or shall require the Members to submit to such settlement under the present Charter . . ."*

Now, who could ask for anything more? *No more wars!!!* They (UN) would preserve the PEACE of the world . . . they would punctiliously respect our national sovereignty . . . they would NOT intervene in our Domestic affairs.

That's what our Press and Radio kept telling us over and over and over again. They kept repeating the assurances in the Preamble and the 7th paragraph of Article 2 . . . but they carefully "forgot" to publish the concluding proviso of that 7th paragraph, which stated: . . . *"But this principle shall not prejudice the application of enforcement measures under Chapter VII".*

And that seemingly innocuous little reservation lets the cat out of the bag! A careful analysis of all of the Articles in Chapter VII reveals that that little reservation completely nullifies the preceding assurance in the 7th paragraph of Article 2 of Chapter 1 — especially when tied in with the powers (to be) provided the UN by its "World Court" and the "GENOCIDE" Treaty.

Two Senators, Langer of North Dakota and Shipstead of Minnesota read the Charter, analyzed it accurately, and bitterly opposed it. All the others, carried away by the Press and Radio ballyhoo, virtually trampled all over each other in their stampede

to sign the Treaty. There was virtually no debate — later, many of the Senators admitted they hadn't even stopped to read the Charter. And that was an *unforgiveable* dereliction by the men we send to Washington to guard the safety of our nation — because if they had just *read* the Charter they'd quickly have recognized that the UN was set up to be a trap for the destruction of the United States ... *And that was how the UN put its first trick over on us!*

THE "WORLD COURT" TRICK

As stated, our Senate ratified the UN Treaty only because of the pious assurance in the Charter that the UN would never, *but never,* attempt to interfere in the Domestic affairs of the United States ... *exactly as Moscow, when granted "Recognition" by Franklin Roosevelt, piously assured us that they would never foster Communist propaganda in the United States.*

But even as the U.N. Treaty was being signed, a "slip" revealed that not only would the UN interfere in our Domestic affairs, but by a series of gimmicks in the Charter, *craftily camouflaged, of course,* they planned *a complete "take-over" of the United States!* Indeed, just one "gimmick" alone, *their "World Court"*, could have done the job — only the eagle eye of the then Senator Tom Connally saw through it.

We covered that entire matter in our "World Court" Tract, and in several of our earlier "News-Bulletins", so it hardly needs repetition in this issue. But several startling events that followed the smashing of the attempt to repeal the Connally Amendment require a brief review — in order to bring the reader up to date.

First of all, here is the "gimmick" itself: Chapter XIV of the UN Charter provides for the *"International Court of Justice"*, more commonly known as the *"World Court"*. Actually, the United States became a party to the UN Statute creating the "World Court" when our Senate ratified the UN Charter; but we were not *bound* to accept the jurisdiction of that "Court" until we made a formal declaration of to what extent we would accept said jurisdiction.

In November, 1945, Senator Wayne Morse (Oregon), a notorious radical and One-Worlder, introduced a Resolution giving the consent of the U. S. Senate to the American government's accepting *full compulsory jurisdiction* of the World Court. On December 17,

1945, *Christian Herter* (then a Congressman, now Secretary of State), likewise a radical One-Worlder, introduced in the House a joint Resolution to the same effect as the Morse Resolution.

However — to make a long story short — On August 1, 1946, when the Senate began *(unanimously favorable)* consideration of the Morse World Court Resolution, Senator Connally offered an amendment stipulating that the U. S. would NOT accept compulsory jurisdiction of the "World Court" in *"matters which are essentially within the domestic jurisdiction of the United States AS DETERMINED BY THE UNITED STATES."* . . . those last six words compose the Connally Reservation — or Amendment.

Morse exploded, actually screaming his rage. Several other Senators of his ilk heatedly supported him. And then Connally *(once a Rooseveltian New Dealer himself, who finally saw the light)* quietly pointed out that without that reservation we would give the "World Court" and its parent, the "United Nations", complete and absolute control of ALL of our affairs, both Domestic and Foreign; he stressed that the "World Court", could easily "rule" that the following matters are subject to International Law:

1) American Immigration . . . 2) American Trade . . . 3) American Relations with Panama — and control of the Panama Canal . . . 4) American Foreign Aid . . . 5) Taxation of Americans for Support of World Government . . . etc., etc.

And then he further stressed that inasmuch as there could be no appeal from the "Decisions" of the "World Court", the U. S. could be completely helpless — and then he pointed out that any individual who would dare to oppose any of their "Decisions" could be plucked out of his home and transported to The Hague, or any other place in the world, to be tried by a Tribunal set up by the World Court . . . *and the United States would be powerless to intervene."*

That was the end of *that* attempt — the Senate voted for the Amendment 62 to 2 — and, thank God, it is still the Law at this time.

However, as I have so frequently reiterated, the Masterminds of the Great Conspiracy never give up. They merely decided to wait until the people "forgot". They waited until late 1958 — and this time they had a more powerful "sponsor" . . . none other than "God-Man" Eisenhower, aided and supported by Nixon, Rogers, Herter, Hubert Humphrey, Jake Javits, etc.

Well, you know what happened. They came so near to forcing the

repeal of the Connally Amendment that the "United Nations" was actually setting up the machinery for the complete take-over of our nation. But the people woke up — *in the nick of time!* That avalanche of angry letters and signed "Tracts" so frightened the Senators that Rhodes Scholar Fulbright, Chairman of the Senate Foreign Relations Committee, didn't dare to even submit it to a vote.

And I have no hesitancy in saying to all those loyal American men and women who wrote those letters and poured their "Tracts" into Washington that you saved our nation! ALL of the American people — and the future generations — owe you their everlasting gratitude!

Now, what followed is frighteningly significant! You would think that after such a clear demonstration that the people are arcused and dangerously angry the Masterminds — *and their Washington tools* — would give up. But, no sir! they have not! They never will — *not until we smash their entire Conspiracy!* But that demonstration made them desperate. With the people slowly but surely awakening they realized that time is running out for them. Too, they realized that neither Nixon nor Kennedy, willing as they might be, would be able to pressure the Senate as Eisenhower did. In short they felt that they *must* get the Connally Amendment nullified before Eisenhower leaves the White House — if not by outright repeal, by piece-meal emasculation. So the next step was an attempt to by-pass it through "Executive Agreement" — *with the State Department sponsoring this little maneuver.*

On the face of it, it was a very unique maneuver. They submitted to the Senate, *for hurry-up approval,* a new and very complex series of "*conventions*" on the "*Law* of the Sea", which they called "*Agreement N of Annex V*". Quite a flight into nomenclature, eh, what? Well, paraphrasing Little Red Riding Hood's pseudo grandmother, "*. . . the better to confuse you with, my dear.*"

This "Executive Agreement" contains four "conventions" and a "Protocol". The "conventions" cover a wide range of subjects in which controversy may arise between the U. S. and practically any sea-going nation — *many of the subjects distinctly belonging within our sovereignty!*

The whole thing is far too complex and too voluminous for complete coverage in these pages, but it explicity sets forth that all international disputes concerning the Seas, territorial waters, fishing rights, and even labor conditions, would have to be adjudicated by the "World Court" — *and only by the "World Court"!*

One of the most serious aspects of such an "agreement" concerns

"territorial waters". Consider the closeness of the U. S. to Cuba, which, to all intents and purposes, is now a Soviet Satellite. We have a great naval base there. Now, Cuba has never declared adherence to the "World Court", with or without *(Connally type)* reservation. But Castro eagerly and quickly joined in the above mentioned "Protocol". Why? Because on the slightest pretext — *or just a hint from Khruschev* — Castro could drag us into the "World Court". And under such an "agreement" *(had our Senate approved it)* we would be powerless to sustain our legitimate rights to the South.

As of now, that "Executive Agreement" stands defeated. But there was something very covert and tricky the way it was managed in the Senate, where, in order to be valid, there had to be a *two-thirds majority* for it. Now, the dynamite in that "Executive Agreement" was in the "Protocol". Voting separately on the "Conventions" and the Protocol would have exposed each, *especially the "Protocol"*, to scrutiny. *That* would let the cat out of the bag. *It had to be avoided!* So the State Department decided to submit the whole thing in one "package" deal — and "railroad" it through the Senate with *(they hoped)* no scrutiny whatsoever. The masterminding of that job was assigned to Senate Majority Leader Johnson and Minority Leader Dirksen, two of the most unscrupulous politicians in Washington. They promptly began to "button hole" all the Senators — concentrating on those who were particularly vulnerable to pressures from the White House, and/or from "Minority Group" constituencies. However, somewhere along the line they slipped up — "button-holed" the wrong man. Enough of the true story in the "Executive Agreement" got out. Once again the Senators were bombarded with angry telegrams and letters from all parts of the country. As a result, when that "package" deal was submitted for the vote, a number of Senators demanded time for study and a reconsideration of the "Protocol". Johnson and Dirksen angrily protested. In response, one of the loyal Senators retorted that the whole thing looked like a trick to circumvent the "Connally Amendment" — and thus drag the U. S., at least in part, under compulsory jurisdiction of the "World Court".

Thereupon, Senator Jake Javits arose to *chide* those Senators who demanded a study of the "Protocol" — and then he launched a bitter tirade against *everybody* who had opposed the repeal of the Connally Amendment as a whole. He jeeringly pointed out that had we been rid of that Amendment, the U. S. could have dragged Cuba into the "World Court" when Castro launched his first aggression against us — and, in addition to his own *self-*

proclaimed "profound" knowledge of the law, he cited an editorial in the New York Times as his authority.

Both Jake and the New York Times deliberately *and brazenly* lied — and that is expressing it mildly. For, as previously pointed out, Cuba has never declared her adherence to the "Court", with or without reservations. So there would have been no way for the "Court" to have dealt with the matter. And at the time that that Times editorial was published, Castro had not yet joined in the "Protocol". But Jake's falsehood becomes even more reprehensible when we explore the reason for Castro's latching on to the "Protocol" — more reprehensible for this reason: Jake claims to have a *profound* knowledge of Law; so he knows that the "World Court" is composed of one American *and fourteen hostile-to-America Foreign and Communist* Justices, all of them appointed by the UN — and that this "Court" does not base its rulings on precedents, because it has no precedents. He also knows that under its own rulings, this "Court" can assign any case that comes before it to a triumvirate of its "Justices", and that such a triumvirate can render whatever "Decision" it sees fit — *and once that "Decision" is rendered there is no appeal from it!* Now, supposing Cuba decided to "expropriate" our naval base at Guantanamo Bay. Naturally, under that "Protocol", the matter would have to come before the "World Court" for adjudication. Now, continuing with quite natural suppositions, supposing the "World Court" assigned the case to the "Justices" from Russia, Poland and Panama — do we have to be clairvoyant to figure out what the "Decision" would be?

And that is why Castro so eagerly joined in the "Protocol" — **he had been faithfully assured of just such a "Decision"!**

Now let's do some more supposing: suppose Panama decided to take the U. S. to the "World Court" for a test of the ownership of the Panama Canal — and supposing the "World Court" triumvirate would be composed of the "Justices" from Russia, Poland and the UAR *(Nasser's outfit)* — is clairvoyance necessary to know what *that* "Decision" would be?

Now, I fully realize that some who will read the above will refuse to believe that the UN and its "World Court", could possibly be guilty of any such shenanigans — after all, Eisenhower himself assured us that the "World Court" is composed of highly honorable men who would never take advantage of their unlimited powers to discriminate against the U. S. . . . and Eisenhower couldn't possibly be wrong — *or could he?* Anyway, later, when I will review the "Genocide Treaty" plot, I will cite chapter and verse of *just exactly this kind of a "frame-up" the "honorable men" of the*

"World Court" entered into with the "honorable gentlemen" in the Kremlin.

Now, let's go back to the controversy in the Senate about a study and reconsideration of the "Protocol": Johnson and Dirksen prevailed — the voting proceeded without taking time out for the reconsideration. *But the fat was in the fire!* The vote was 49 in favor, 30 against and 21 not voting at all — the latter were the "buttonholed" ones who had pledged themselves to vote in favor of the "Agreement", but were frightened into silence. Since it required two thirds of the members *present and voting,* it was defeated.

THEY'LL TRY AGAIN IN NEXT SESSION

Once again, after that disastrous defeat, you'd think they would give up on the Connally Amendment. But, actually, they *can't* give up on it — for without a "World Court" *with unlimited powers* they will never be able to achieve their One-World Government. So, despite the risks it will entail for their next stooge in the White House *(either Nixon or Kennedy),* the Master-minds have decided to go back to their original plan of forcing a Senate repeal of the Connally Amendment *during the next session of Congress*... And they already have taken the first step to set the stage for it, to-wit:

It is quite safe to assume that in matters concerning jurisprudence the average American will defer to the opinions of the trained legal minds (lawyers) of the nation. Hence, the Masterminds theorize that a highly publicized "Resolution" by the vaunted American Bar Association (ABA) endorsing the repeal of the Connally Amendment will have a tremendous influence on public opinion — and serve as a perfect springboard for action by the Senate in 1961.

So, in the closing session of the ABA (1960) convention in Washington, D. C., the "Masterminds" most impressive (present) stooge, none other than our "Military Genius" President, launched an impassioned plea for the "Resolution" — although "impassioned" is hardly the word for the mumbling, stumbling delivery of this phony "God-Man". His own brother, Edgar, scornfully rejected his plea. Ditto a large number of the *self-respecting* members of the ABA. But there were enough shysters present to back it up. The ABA passed the "Resolution" — and now various sec-

tions of the Press are ballyhooing it as the *"considered opinion of the American Bar."*

And that is about as gross a falsehood as Eisenhower's statement that . . . *"if we (the U. S.) will repeal the Connally Amendment, the leaders of the Kremlin will become inspired to accept the compulsory jurisdiction and moral obligations of the 'World Court'"*.

To clinch that statement, let me point out that action by the American Bar Association upon *any* subject does not, *and cannot,* represent the "official posture" of the nation's lawyers inasmuch as the ABA is not in any way officially representative of the lawyers of this country. For example: the only official organization of California lawyers to which *all of them belong* is the California Bar Association which has absolutely no connection with the American Bar Association. While it is true that many prominent lawyers belong to the ABA, nevertheless, it is equally true that the ABA membership is a small minority of the nation's lawyers, and delegates to the ABA conventions do not represent any persons other than ABA members—therefore the "Decisions" and "Resolutions" of the ABA have no official status whatsoever. In other words, the ABA is, to all intents and purposes, nothing more nor less than a self-serving professional fraternal organization. And from that standpoint that ABA "Resolution" has no more validity than a similar "Resolution" issued by the "National Lawyers Guild" *(a notoriously Communist gang)* or one issued by the "American Civil Liberties Union" (an equally notorious Red Outfit).

By that, I do not mean to imply that the ABA is in any way Communistic — but, I do wonder how many of the ABA delegates who voted for the repeal of the Connally Amendment are also members of the "National Lawyers Guild" and/or the "American Civil Liberties Union."

No loyal — and honest — American lawyer could conscientiously vote for the repeal of the Connally Amendment . . a lawyer KNOWS what it would do to our nation ! ! !

Incidentally, there are many lawyers who have refrained from joining the ABA due to the basic disagreements with the stands and the activities of the ABA in the past . . . its present "Resolution" with regard to the "Connally Amendment" would be one that many ethical lawyers could not stomach.

Note:—There is absolutely no doubt that the Masterminds will pull

every possible wire to achieve repeal of the Connally Amendment in the next session of Congress. I cannot stress too strongly the vital need of a continuous barrage of letters and signed "World Court" Tracts to every man running for Congress — both the Senate and the House of Representatives. Pour both into their homes while they are "politicking" and making all sorts of promises to get your VOTE. MCF.

THE "GENOCIDE TREATY" PLOT

Actually, the "Genocide" plot and the "World Court" plot are twins, born during the very conception of the UN as a whole. The idea was that the "World Court" would give the UN a stranglehold on the government of the United States, whilst the "Genocide" Treaty would give the UN a stranglehold on the people — that is, *the White Christians of the American people.*

The original plan was to hold back the "Genocide Treaty" until the "World Court" would become fully entrenched — and in position to enforce the various UN rulings on "Genocide". In short, the two "Treaties" were intended to support each other in order to give the UN a *double* stranglehold on both the Government and the people — and thus close all loopholes for our escape from either plot. But the collapse of the "World Court" plot forced the UN to reverse their intended procedure and to make the "Genocide Treaty" their first order of (plot) business.

In our August (1960) "SPECIAL EMERGENCY BULLETIN" and the "GENOCIDE PLOT" tract, we reviewed that plot in all its grisly details, so there is no need for repetition in this issue. But, apropos of Eisenhower's pious assurance of the high integrity of the men on the "World Court" Bench — *and what a great psychological and moral impact our surrender of "a little of our sovereignty" to those men would have on the banditti in the Kremlin* — an incident at the time the UN submitted the "Genocide Treaty" to our Senate Foreign Relations Committee is worth repeating — and repeating — *and repeating!* That incident revealed with crystal clarity . . . 1) The Machiavellian treachery of the UN . . . 2) It fully revealed the corruptness and utter depravity of the "World Court" . . . 3) It clearly revealed the alliance between the Masterminds of the Great Conspiracy *within our Land* and the leaders of the Communist Conspiracy in the Kremlin. Following is the incident:

On December 11, 1946, *exactly four months after Senator Connally handcuffed the "World Court" plot*, the UN passed a Resolution (No. 96) calling for a "Genocide Convention". The full title was:

"Convention on the Prevention and Punishment of the Crime of Genocide".

Note: For the exact verbiage of the Genocide Treaty, we refer the reader to our Feb-March (1960) "News-Bulletin", entitled: "PATTERNS of TREASON — The 'GENOCIDE' PLOT".

As far as the American people were concerned, the entire "GENOCIDE" plot was as tightly "top secret" as the infamous Yalta secret deals that delivered the Balkans and Eastern Europe to Joe Stalin . . . *Not one newspaper revealed the hidden menace in it — not one Radio commentator mentioned it!*

Anyway, early in January (1947) the UN was all set to submit it to the Senate Foreign Relations Committee — *with the blessings of our Missouri half-wit President.* But there was still considerable talk in Washington about the trickery in the "World Court" Treaty — and general suspicion about *all* UN treaties. So, on the advice of Dean Acheson, our then Secretary of State, the UN decided to hold off action on the "Genocide" treaty — *until the people "forgot" about the 'World Court'"*. They waited until the North Koreans swarmed into South Korea. And that was the time, *when both the people and the Press had no time or thought for anything except the war,* that the UN picked to submit the "Treaty" for ratification. But it was all to be done very hush-hush! No copies of it were made available to the Press. The only copy available was the one that was submitted to the Senate Foreign Relations Committee — *and that was marked STRICTLY TOP SECRET!* But early in September (1950) we (CEG) obtained a copy *(never mind how or whence*—and thus the first intimation of the dire consequences of the Genocide Treaty to the American White Christian people, *if the Senate would ratify it,* was revealed in our (CEG) November 1950 "News-Bulletin", entitled "GENOCIDE: A MENACE TO U. S.". We sent copies of that "News-Bulletin" to every member in both Houses of Congress. In addition, we sent copies to a carefully selected group of syndicated Columnists, such as George Sokolsky, Westbrook Pegler, Fulton Lewis, Jr., Bob Considine, etc., together with personal letters urging them to use their own

means to get confirmation of the charges in the "News-Bulletin". Several of them did — and they promptly began to publish *their* versions of the horrifying treachery in the "Genocide" Treaty.

The UN was startled — *and panic stricken!* If that story were allowed to spread the Senate wouldn't *dare* to ratify the "Treaty". Even more important, the very existence of the UN was at stake. For the first time, important and highly regarded journalists were, *to all intents and purposes,* charging the UN with plotting to harm *(destroy)* the U. S., *their host nation!* If that story went far enough the American people conceivably might demand that the U. S. get out of the UN — and hurl the UN out of the U. S. . . . *and that would be the end of the UN!*

Something had to be done to "kill" that story — and to offset the growing nation-wide outcry. And then, lo and behold, something *did* happen that stopped it: a sensational dispatch from the International Court of Justice on May 21, 1951, announcing that: *"Moscow had signed the 'Genocide Treaty'"* ! ! ! The impact of that dispatch was terrific — almost equal to an announcement that the Russians had revolted and smashed the Communist regime. It silenced all those who had been critical of the "Genocide Treaty". *Naturally!* If the men in the Kremlin felt the need of a Law to prevent "genocide" how could the decent and humane American people oppose it? . . . *The UN — and THE MASTERMINDS — heaved a great sigh of relief!*

But, indeed, God does move in mysterious ways His Miracles to perform . . . it was none other than Sobelov, Moscow's chief delegate to the UN, who let the cat out of the bag. Whether under the influence of too much vodka, or by a desire to boast and gloat a la Krushchev, he revealed that Moscow's "ratification" of the "Genocide Treaty" had been done at the behest of the UN and the World Court — *"in order to SHAME the American people and the U. S. Senate to do likewise!"* But the boys in the Kremlin are no fools, jeered Sobelov — before they signed that "Treaty" the "Court" gave them a written agreement *(to be kept secret, of course)* that Moscow would never be held to that "Treaty" — that none of the provisions in that "Treaty" would ever be applied against Russia and/or any of her Satellites.

Once again, panic swept through the "holy" halls of the UN. And this time they realized that it might well be suicidal to attempt any more Tricks—they precipitately withdrew the "Treaty" from the Senate Foreign Relations Committee—and the traitorous "guar-

dians" of our nation in Washington ordered the Press to *"forget all about it."*

Now, after that narrow escape, you'd think they'd give up their "Genocide" plot. Well, they *didn't*— as I have previously stressed, they never do. Biding their time until the tumult began to die down, they have prepared the same old plot and dressed it up with a new, *piously humanitarian,* name: *"The International Covenant of Human Rights"*. And this time they have a new and wonderful sponsor for it—none other than the Black Widow of Hyde Park, the Matriarch of the Communist Conspiracy in America, Eleanor Roosevelt.

STATE DEP'T. "COVERS" UN AGENCIES

When the Masterminds launched the UN to be the "housing" for the One-World Government they knew that the success of their plot depended upon their ability to keep the American people from becoming aware of it. Therefore, at the very outset, *with the help of their controlled Press and other mass communications media,* they established the UN as a holy of holies—as sacred as Heaven itself—*and the World's only instrument to preserve PEACE.* And they decreed that the UN itself was to stay aloof from all *overt* acts to further the One-World objective. Of course, they *did* slip up on the "World Court" and the "Genocide" plots—but our people do forgive and *forget* very quickly. However, there would be a great deal of other "dirty" work to be done—such as *"conditioning"* the minds of the peoples in Eastern Europe *(especially the Balkans)* to accept Communism . . . such as "conditioning" the minds of the American people to abandon so-called *"Isolationism"* in favor of *"Universal Brotherhood"* . . . such as conditioning our Youth to abhor *"mawkish patriotism"* and the *"sinful pride of nationality"*, etc., etc. But none of that was to be done by the UN itself—all of it was to be done by *special* UN Agencies, such as UNRRA, UNESCO, UNICEF, etc., etc. . . . *with every one of such Agencies to be directly sponsored in one way or another by the U. S. STATE DEPARTMENT!*

A wonderful cover-up, eh what? What American would even dream of being suspicious of the activities of a UN Agency sponsored by our own State Department?

IN THE NAME OF "HUMANITARIANISM"

The first such Agency that went into operation was the one that became known as UNRRA. Patterned on Herbert Hoover's famous Belgian Relief project, it was set up, *ostensibly,* for the relief of the sick and the starving peoples in all of the war-devestated parts of Europe. The Press heralded it as a great humanitarian project—and, of course, it had the whole-hearted blessing of the State Department and the White House. But suggestions that Herbert Hoover was the ideal man to head such a project were brushed off with *"he's too old for it"*. Instead, the job was handed over to Herbert Lehman . . . *you will soon see why.*

First of all, let's establish the premise for what will follow: When Jacob Schiff and his co-conspirators were masterminding the Lenin-Trotsky take-over of Russia their primary objective was to set up Communism in that land with its huge population to serve as the great menace that was to frighten all the free nations into seeking safety in a One-World Government—for which their "League of Nations" was to have been the "housing". But their plans went awry. The "League of Nations" was a flop from the outset. And Red Russia was far from the terrifying bogeyman the Masterminds had expected it to be. Indeed, during the years between World War One and World War Two Communism was derided, *not feared,* throughout the world—and the Communist regime in Moscow was always skating on very thin ice; in the early 1930s only Roosevelt's illegal *"Recognition"* saved it from destruction by the Russian people themselves; in 1942 Stalin again was saved by the same Roosevelt's phony *"Lend-Lease"* eleven billion dollar gift. However, the chief flaw in the Masterminds' plan was a geographical one; to wit: throughout the past centuries Russia was always completely surrounded by bitterly-hating enemies, such as Germany, Poland, all the Balkan states and even Lithuania, Finland and all the little Baltic states which the Czars had acquired by conquest. Thus Red Russia was penned in by that wall of enemies. The Masterminds soon recognized that seemingly insuperable problem. But when their unscrupulous tool, Roosevelt, dragged us into World War Two he provided them with the solution of *that* problem:—at that infamous Yalta meeting, he arranged to deliver to Stalin *(lock, stock and barrel)* Poland, Eastern Germany, Hungary, and all of the Balkan states . . . and that great *"Military Genius"* and *"humanitarian"*, Eisenhower, fulfilled the delivery by holding

back all the allied armies until Russia could enter all those states and "liberate" them from Nazi occupation.

However, "delivery" of all those states was one thing—but the matter of holding them in subjugation was another—the hatreds of all those peoples were bound to erupt into revolts . . . *so UNRRA was set up to solve THAT problem; to-wit*:

In the years immediately following the war the United States was the only nation that could provide UNRRA with foods, clothing, medical supplies, etc., etc. *All for free, of course!* Naturally, all shipments were stamped *"Made in U.S.A."* Suddenly, *but not until after the objective had been fully accomplished,* it was discovered that after those shipments arrived at their destinations that legend (*Made in U.S.A.*) was removed— and *replaced* with *"Made in USSR"* . . . at the same time, it was also discovered that, *by a strange coincidence,* all of the UNRRA administrators and distributors were Russian officials . . . and then it was further discovered that, *by another very strange coincidence,* all of UNRRA's relief activities had been limited to those states (Poland, the Balkans, etc.) which Roosevelt and Eisenhower had delivered to Stalin . . . further investigation revealed that, *by still another very strange coincidence,* only those who expressed acceptance of and loyalty to the Moscow-appointed rulers of their states were considered worthy of UNRRA relief—all others were left to survive as best they could.

All those *"discoveries"* created a considerable commotion in Congressional circles in Washington. There were demands for an investigation of the UN. But the UN promptly disavowed all responsibility *for all of the UNRRA activities.* They pointed out that that entire relief project had been handed over, *with State Department approval,* to Ex-Senator Herbert Lehman—and, because of their great faith in the integrity of that *"distinguished American Humanitarian"*, they had never checked into his operation of that project, or questioned his choice of administrators and distributors . . . And that *"gentleman"* readily established the complete *"innocence"* of the UN. He admitted that he had had sole control of the entire project—that *he* had appointed the Russian administrators and distributors—and the change of *"Made in U.S.A."* to *"Made in USSR"* had been with his knowledge and approval. And then he added the very astonishing (*and brazen*) explanation that he had done all that *in the interest of PEACE;* to-wit: knowing how the Polish and Balkan peoples had always distrusted and hated the Russians, our great "humanitarian" had *"suddenly conceived"* the idea that if all those peoples would "see" with their own eyes that it was Moscow that had come to their rescue with food, clothing, medicines, etc., etc., and had even sent their own

officials to do the distributing, it would wipe out all ancient hatreds and spread a feeling of *"brotherly love"* throughout that entire part of the world. When asked why he had confined all of UNRRA "charities" to the states marked down at Yalta for Russian enslavement, our *"humanitarian"* became completely deaf.

Of course, the vast majority of the American people were never informed of that great act of "humanitarianism" (*with our income-tax money*)—the Press never revealed it. But even if we had been told, how could we have blamed the UN for a *"mistake"* made by one of our great *"American humanitarians"*? Clever, eh, what?

UNESCO: TRAP FOR OUR YOUTH

The next UN Agency that went into high-gear operation was the *"United Nations Educational, Scientific and Cultural Organization"*, commonly known as UNESCO—a particularly vicious project directed toward the brainwashing of our Youth.

The avowed purpose of "UNESCO" at the time of its organization in late 1945 was to "... *surmount significant handicaps to international PEACE. These (handicaps) are: the lack of education and the opportunity for education* ..." Three other objectives listed were to create: "... *understanding and cooperation among peoples of different nations, races and cultures; to the free flow of information between nations; to promote scientific knowledge and the improvement of living conditions."*

In order to give this UN Agency a perfect start—*and to impress its great "worthiness" upon the American people,* the U. S. State Department set up the *"U. S. National Commission for UNESCO"*, and proceeded to flood the nation with glowing (false) literature about the wonderful objectives of this vicious trap for our Youth—*all at taxpayers' expense!!!*

As indicated, UNESCO, at its inception, proclaimed a wide variety of activities, *all intended to help destroy the sovereignty of the United States,* but in this issue we will deal only with their invasion of our schools with a craftily developed plan to brainwash our children into hatred of Americanism and love of Internationalism and One-Worldism. We will establish it by quoting from their own books, in one of which they stated:

"Frequently the family (parents) infects the child with nationalism ... as long as the child breathes the poisonous air of nationalism (patriotism) education for world mindedness can produce only precarious results ... Kindergarten can correct the errors of home training, and can also prepare the child for membership, at about seven, in a group, the first on his way to membership in the world society ... We shall presently recognize in nationalism the major obstacle to the development of world-mindedness, therefore, History should be taught as a universal history ... and the study of it had better be postponed until the pupil is freed from the nationalist prejudices which now surround the teaching of history ..."

Now compare the above with a statement taken from one of Lenin's earlier books—and which was based on the Communist Manifesto:

"The schools of a nation are the doors to Communist conquest of that nation. Give us control of the minds of the youth of a nation for just one generation and we will control that nation within that generation: The implantation of our ideology must be started in the kindergartens, and furthered and intensified in the higher schools and Universities. From very infancy the child must be removed from all family influences that might foster nationalism and religious beliefs. Thus the child will be steeped in an atmosphere of world-mindedness, and the grown man and woman will be dedicated to Communism. To achieve that victory for Communism we must first get complete control of the educational systems of the various nations."

Just so, and employing the very techniques outlined in Lenin's book—*and frequently reiterated by Stalin*—has "UNESCO" been driving to control the teaching in our schools—and to destroy all parental influence over our American youth. One of their books, known as the "E in UNESCO", is replete with directions how to achieve that (Lenin) objective.

At the first meeting of *"The United States National Commission for UNESCO"*, held in September 1946, the then Senator William Benton, a one-time Madison Avenue Huckster, and a dedicated "Liberal", stated: *"We are at the beginning of a long process of breaking down the walls of national sovereignty. In this process UNESCO can be, and indeed must be, the pioneer"* ... In short, spokesman Benton, *and the State Department* thus set the stage for the chief function of UNESCO—*and the Lenin objective!!!*

At the same time, *to make sure that that objective would be properly, and expertly carried out,* they appointed one Mrs. A. Jegalova, former Chief of the Inspection Division of the Soviet Ministry of Education, to the post of Chief of the Secondary Division of UNESCO.

All of this is verified in *"State Department Publication* 2726 — *UN Information Series* 14".

I could go on with many, *many* more pages of documentary evidence to show that this UN Agency was set up—and *sponsored by our State Department,* if you please—to carry out the special job of brainwashing our Youth into acceptance of Communism, but I should imagine that the above is sufficient proof for any thinking American—*and parent!* However, I will cite two incidents that should *really* bring *all* of the American people "to arms":

Several months ago the entire nation was shocked by Press stories—*and a film documentary*—about rioting by students of high schools, colleges and Universities in the San Francisco area. The cause of the rioting was a hearing being held by the *"House Committee on UN-American Activities"* into communistic activities of various teachers in those schools. The rioting was almost on a par with that of the students in Japan to prevent Eisenhower's visit to Tokyo. Among the rioters were an Episcopalian priest in clerical garb and College professors. They surrounded the building in which the hearings were being held—they burst into the corridors of the building—they tried to batter down the doors; all the while screaming, shouting, cursing the Committee; demanding that the hearings cease—and that the Committee be abolished. Mingling with the rioting students, *and inciting them,* were such notorious Reds are Archie Brown, Harry Bridges and others of the Red Longshoremen Union, and it was assumed that they were the masterminds of the entire vicious affair—but later it was revealed that the real brains behind it were UNESCO staff members, and officials of the (NEA) National Education Association. They stayed well in the background, but *they* were the "brains" who coached the ring-leaders of the rioting students.

Now, one would wonder why NEA and UNESCO would involve themselves in such reprehensible activities as attacking a duly constituted Congressional Committee. Well, the answer is simple: Congressional investigations of the Communistic activities of teachers in our schools and Universities might well completely unmask both UNESCO and NEA—*if enough teachers could be made, willingly or unwillingly, to "sing", it COULD explode the entire plot to brainwash our Youth into anti-Americanism . . . it WOULD establish that the UN itself is directly behind the plot.* Hence, preventing that investigation *by any means* was a MUST for both UNESCO and NEA.

The second incident occurred on September 12 of this year, the day the schools reopened in the Los Angeles area. For what they

called *"personality tests"*, a number of teachers submitted a strange questionnaire to their students. Included among the questions posed for *high school level* are the following (*to be answered by a simple yes or no*):

1) "Which is worse, spitting on the Bible or spitting on the American Flag? . . . 2) Which is worse, denying the existence of God or hurting the feelings of a friend? . . . 3) Which is more important, taking the oath of allegiance or joining a church? . . . 4) Which is more important, U. S. Flag Day or United Nations Day? . . . 5) Which is worse, denying the existence of God or laughing while the Star Spangled Banner is being played?"

Following are samples from the "personality tests" given to the younger children in the elementary grades—for a YES or NO answer to those statements: "... 1) *I need more friends* ... 2) *People don't like me* ... 3) *I'm afraid of people* ... 4) *I don't like school* ... 5) *People hurt my feelings* ... 6) *My home is too dirty* ... 7) *My Mother doesn't ever think I'm right* ... 8) *I don't like my clothes* ..." *etc., etc.*

The power of suggestion used in all those questions cannot be denied, nor can their sinister purpose be ignored—*remember*: *they are dealing with the minds of children in their formative years!* ... Long ago, Communist (Soviet and Chinese) psychologists devised similar techniques for the brainwashing of *their* youth. The only purpose which can be achieved by such loaded questions is to plant seeds of distrust of basic values and loyalties in the minds of our youth under the spell of textbook authority. When they ask a child for a Yes or No answer to such questions as *"I wish my parents liked me more"* it is obvious that what they are trying to do is make the child suspicious and dissatisfied with his home atmosphere.

But, wait—you ain't heard nothin' yet! There was still another questionnaire dealing with *religious* questions, *all requiring a simple Yes or No answer*—following are the questions ... 1) **"God can only be understood as a force or source of energy ... 2) The world would be better off if science replaced religion as the guiding principle in men's lives ... 3) The description of God in the Old Testament is only mythical ... 4) Values are all relative—there are no absolute standards of right and wrong."**

And here is the most startling—*and infuriating*—feature of this entire reprehensible incident: in response to requests for copies of the questionnaires and for the names of the compilers of the "questions" the school authorities defiantly denied existence of

the tests, but copies were obtained from *loyal American* teachers who themselves were outraged by the questions, but who, for economic reasons (their jobs), were helpless to protest ... *but one of them revealed that the questionnaires* **had been compiled by UNESCO!**

How about that, American mothers and fathers? How much longer are you going to permit UNESCO (and NEA) to brainwash your children into Communism? ... How much longer are you going to permit the UN to remain in our midst while plotting to destroy our entire way of life? ... How much longer are we going to permit the U. S. State Department—*and the White House*—to sponsor and support, *with our tax money,* all of the UN Agencies, *and the UN itself,* in the plot to destroy our Country? *You, the people, can stop it, you know!*

Note: For the complete story of the plot to take over our entire Educational system I urge the reader to get a copy (1.00 per copy) of "COMMUNIST-SOCIAL PROPAGANDA IN AMERICAN SCHOOLS" by Verne P. Kaub, President of "American Council of Christian Laymen", Madison 1, Wisconsin. MCF.

UNICEF — IN THE NAME OF "CHARITY"

In the good years gone by, Halloween, with its joyous "Trick or Treat" games, was the gayest of all holidays for our youngsters. But today *everything* is grist for the mills of the UN — so now Halloween is a sober lesson in "world-mindedness" for the kids.

As I have frequently stressed, the UN does not depend upon just one "Agency" to do a specific job — they set up sub-Agencies to mop up what the major Agencies leave undone. Thus, shortly after the ill-omened birth of UNESCO, they set up another "Agency" to brainwash our Youth — and for this Agency they not only have State Department sponsorship and financial support, *they also have many of our churches* zealously working for them.

They call this Agency *"The United Nations International Children's Emergency Fund"*, commonly known as "UNICEF". The stated objective of UNICEF is to provide milk, medicines and hospital care for all the needy children throughout the whole world ...

and with that phony excuse they have transformed our youngsters into beggars.

On the coming Halloween Eve youngsters throughout the nation will be making the rounds of their neighborhood homes on behalf of UNICEF. This has become a ritual ever since UNICEF was set up. The youngsters will be sent on their *begging* missions by their parents, by their teachers, *by their ministers,* most of whom probably sincerely believe that the entire reason for working for UNICEF is to provide aid for less fortunate children throughout the world.

Now, I whole heartedly approve of all church-sponsored missions to help the less fortunate people of the world, but I would like to point out a few facts concerning UNICEF which might interest the church people, perhaps even those who spend considerable time and effort on this program and do not want to believe the truth.

UNICEF is underwritten by contributions from 80-odd governments, with the United States contributing more than 80 percent and the other 80 nations — *combined* — less than 20 per cent. The fund's financial report for one year (1958) showed that the United States contributed $9,700,000 as compared to $662,072 for Canada, $510,679 for the United Kingdom, and $500,000 for Russia — *Russia's "contribution" turned out to be only a promise!* Not one penny of UNICEF money was provided for the needy children in the United States, but the following COMMUNIST countries received these amounts: Albania, $325,000; Yugoslavia, $18,200,000; Czechoslovakia, $5,600,000; RED CHINA, $3,500,000; Bulgaria $5,500,000 Hungary, $2,000,000; Poland, $19,000,000; and Romania, $7,000,000.

Yet, the combined total of contributions from the above-named Communist nations to UNICEF totaled only $314,722.

Perhaps those sponsoring their local UNICEF drives also are unaware that most of the contributing nations, including ALL the Communist and Iron Curtain countries, contribute in *non-convertible* money which can be used only to hire *their* people to work for UNICEF, or to purchase goods from that country, or to return it as aid to that (Communist) country.

With a program so favorable to the interests of Communist countries, it is small wonder that some 20 of the 65 members of the U. S. National Committee to promote the UNICEF program have

been *(and still are)* affiliated with Communist Front organizations. William Berges, the UNICEF representative in Shanghai, turned over large quantities of UNICEF supplies to the Communists, and in a speech to the Chinese Reds, boldly stated " . . . **The ruling clique of America are responsible for the Korean War".**

The two official UNICEF greeting cards, sold at Christmastime, *to replace our Christian Christmas cards,* were drawn by Hans Erni, a notorious Fellow-Traveler, who was refused a visa to this country by the State Department — *which means that he is a flaming Red!*

Are these facts about UNICEF becoming known? *They surely are!* Quite a number of Catholic priests in various parts of the country are banning their parish youngsters from Halloween "begging" for UNICEF.

However, I don't ask anybody to believe what I say or write about UNICEF — instead, I urge all local Americans who in the past sponsored these UNICEF Halloween drives to find out for themselves whether the facts I have stated are true. Such an investigation will prove to be an enlightening and very profitable experience!

RED STARS - No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!!

AMERICANS.... To save America from the Communist Conspiracy---
DON'T PATRONIZE REDS!!!!

Keep them out of your (TV),
Living Rooms,
Out of Radio,
Off the screen

This tract tells how YOU can do it!!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway - AND TRANSFORMED OUR STAGE, SCREEN AND RADIO INTO THE COMMUNIST CONSPIRACY'S MOST EFFECTIVE FIFTH COLUMN IN AMERICA...that the RED stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America...that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans...that other films were made to craftily glorify COMMUNISM and ONE-WORLDISM...and still other films that DELIBERATELY created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. THE HOLLYWOOD MOGULS FRANTICALLY DENIED EVERYTHING. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and ALL the NAMED Stars - AND SENT THE NOTORIOUS "HOLLYWOOD TEN" TO JAIL. That Rocked the nation! The people INFURIATED, began to "blacklist" the theaters showing those REDS and the Red Films. Panic swept through the entire industry - it chased Charlie Chaplin out of the country - it drove SCORES of other REDS off the Screen...and, far more important it closed THOUSANDS of theaters!!

That did the job!...it hit the Moguls in their most vulnerable spot: their POCKETBOOK!! - and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "NEVER AGAIN WOULD THEY EMPLOY ANY REDS" - that "NEVER AGAIN WOULD THEY PRODUCE RED-PROPAGANDA FILMS" and for a time they seemingly kept their promises - they even barred all tainted Start from "Oscar" honors.

But ACTUALLY they were merely waiting for the people to FORGET. And even while "waiting" they were scheming and conniving how to keep those REDS 'alive' and finally bring them back into public favor...they continued to employ RED WRITERS, (even the "Hollywood Ten") UNDER FICTITIOUS NAMES... they secretly financed pictures made in Europe by banished American REDS... other RED Stars were "taken care of" in Broadway plays... then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget".. And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood...and once again our theater screens are showing films that sanctify MARXISM- ONE-WORLDISM - DESEGREATION!!

62-87267-274

ENCLOSURE

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever - even the CHARLIE CHAPLIN pictures are on the Screens again!! and all the honors, INCLUDING THE "OSCAR", have been restored to them... all because the people have FORGOTTEN!!!

TV--AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood - by the HOLLYWOOD REDS!! Right now all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV set, they are being piped into your Living Room - and are BRAINWASHING AND POISONION YOUR CHILDREN RIGHT UNDER YOUR VERY EYES!!!

YOU can stop all that!!-by shunning the theaters that show the REDS- by refusing to buy the products of the Sponsors who bring the REDS into your Living Room!! You did it once - you can do it again!!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers,Stars and Studios you are aiding and abetting Communism... Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!!!

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U.S. Steel, etc... among the worst offending TV Producing Studios are Screen Gems, Inc., MCA-REVUE; Warner Brothers, DESILU; Four Star Films, Inc., Theater Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms...WATCH THE PRODUCER'S "CREDITS" ON EVERY TV SHOW YOU SEE.

HERE IS HOW YOU CAN DRIVE THEM OUT;

Read the following list... They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and RADIO... WATCH FOR THEM!!!...Keep this list with you ALWAYS!...When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately, and WARN him that if he will bring another RED into your Living Room you will never again buy his products-AND THEN FULFILL YOUR WARNING!!..Give this Tract to your Grocer, yourButcher, to ALL Dealers you patronize - and warn them-so they can warn the Sponsors--also send copies to your local TV and RAdio Stations...USE THE SAME METHOD WITH YOUR MOVIE THEATER!!

THAT is the only way we will drive the REDS out of Hollywood - RADIO- TELEVISION... HIT THE POCKETBOODS OF THE SPONSOR!!! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY!!!!

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However those in this list are the most important and flagrant-drive THEM out and it will smash the entire RED Conspiracy in Hollywood and Television.

AND REMEMBER THIS:A

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is 'innocent' and 'unjustly maligned', DON'T YOU BELIEVE IT--because the pro-Communist record of every individual named in this list is DOCUMENTED in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General – **or a Julius Rosenberg.** For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For **their** acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle – **or that was meted out to the Rosenbergs!**

—•—

Only Congress has the power to place a Supreme Court Justice on trial – via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress **to fulfill their oaths** – to summon forthwith for proper trial all those Justices who collaborated in those three treason-packed "Decisions".

—•—

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the **COMMUNIST CONSPIRACY,** the mortal Enemy of the United States and the American People!

62-87267-273

CO-DEFENDANTS

Also wanted for trial and impeachment, **on the same charge,** are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites **— and thus mongrelize the American White Race!**

Documentary proof that this "Decision" **directly** conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . . the ADL and NAACP were created immediately after that — **to carry out that DIRECTIVE!**

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — **"Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . . ."**

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND ! ! !

Furthermore, **by his own admission,** Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the **"modern scientific authority"** of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . . There is one sure way to find out — **through impeachment proceedings!**

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — **and to gain access to its files!** But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — **if the Great Conspiracy was to succeed the FBI had to be destroyed!**

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . . they freed convicted traitors . . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . . **they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!**

Those three Decisions, **if allowed to stand,** will completely destroy all of our defenses — **they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!**

Under our laws, giving aid and comfort to an

decision in San Francisco . . . **Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."**

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that t would be expedient for him to "forget" all about **rights"** and **"terms of the Charter"**: Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — **he also confirmed its permanency!** After that, says Mr. Lie **". . . it would not have been politic for me to resist that (secret agreement) accord."**

He then reveals what little authority he had in all such matters, even in the **choice** of the Russian to fill that all-important post, although, **under the Charter,** he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that **"his was not to reason why, his was but to obey** — OR GET FIRED!

WE NOW HAVE THE PROOF ! ! !

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—**evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless **"the people"** DEMAND that they act — and the people won't DEMAND until they know **what** to DEMAND. Senator Jenner said: **"Our problem is to get the story to the people"** — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — **coupled with Tract No. One!**

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1959 - UN TRACT No. 2 - 1959

THE TRUTH . . . ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

—•—

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" **to prevent Communist aggression** (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, **they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee!** GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGESSIONAL RECORD", and demanded that the UN be hauled up for a thorough **(open to the public)** hearing by the properly constituted Congressional Committee – and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get **"the people"** to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we **quoted** sections of **"U. S. Government (TOP SECRET) Bulletins"** which OFFICIALLY confirmed all those charges . . . **Those TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a **"leave of absence"** from his UN job as Chairman of the UN Military Staff – TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL the American boys who died in Korea were MURDERED by the UN – **as a result of that Hiss-Molotov secret agreement ! ! ! . . .** they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

—•—

Very quickly a half-million copies of that "Tract" were circulating through the nation – thousands upon thousands came pouring into Washignton . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken – they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable – **and that would mean the end of the UN ! ! ! . . .** And then the State Department came to the rescue of the Conspirators – they issued an **"official statement"** in which they denied our charges – and virtually proclaimed that their own original **"U. S. Government (TOP SECRET)** Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts – **and the State Department** – flooded the nation with that false and misleading **"official statement"!**

Now, get this point: in their denials, those **"official statements"** never once **named** the "charges" they denied – they operated on the theory that if they could cast a doubt on any one charge it would discredit **all** charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce **DOCUMENTARY evidence that such an agreement had ever been made!**

That strategy worked perfectly! **And why not?** After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS – surely **they** wouldn't be guilty of deliberate falsehoods! **Oh, no?** Anyway, "the people", **confused,** believed **them.** The demands (Tracts) for a Congressional investigation died down to a whisper – the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them–to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov – Stettinius and Vyshinsky – and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit – **maybe to clear his conscience.** Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement – the following is his **(verbatim)** statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' – he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "**. . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won**

but they will continue to commit that treason **until we, the American people, stop them!**

There is only one way to stop them – remove them from the high offices that enable them to commit that treason, via IMPEACHMENT! The impeachment proceedings and hearings will establish whether they are innocent or guilty.

Our Constitution states that:

"The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to . . . **"consist of levying war against them (the US), or in adhering to their Enemies, and for GIVING THEM AID AND COMFORT"** . . . it also declares that . . . **"Congress shall have the Power to declare the punishment of Treason"** . . . whether committed by a President, a Vice President, a Senator, or a Supreme Court Justice!

And in Article One, Section Three, the Constitution states: **"The Senate shall have the sole power to TRY all Impeachments . . . Judgment in Cases of Impeachment shall not extend further than to removal from Office and disqualification to hold and enjoy any office of Honor, Trust, or Profit under the United States . . . BUT THE PARTY CONVICTED SHALL NEVERTHELESS BE LIABLE AND SUBJECT TO INDICTMENT, TRIAL, JUDGMENT AND PUNISHMENT, ACCORDING TO LAW".**

Fellow American, the United States belongs to the American People, not to the men to whom WE have given their high offices. Repeal of the CONNALLY AMENDMENT would be **High Treason** to the U. S. and the American people . . . **and every individual who attempted it must be tried in accordance with the rulings of our Constitution!** . . . and it is the sacred duty of ALL loyal Americans to our Country – **and to their own children** – to DEMAND such action from their Senators and Representatives.

And to these Americans who insist that Eisenhower **"can do no wrong"**, we say: LET CONGRESS DECIDE IT – the way our Constitution tells us to have it done.

NOTE: A complete exposition of the entire "World Court" plot, and the dire consequences of the repeal of the "Connally Amendment", can be found in the CEG "News-Bulletin" No. 73, by Myron C. Fagan. You can get a copy of this startling book by sending Fifty-Cents to "Cinema Educational Guild, Inc."

Every member in both Houses of Congress has a **sworn** obligation to protect and defend the United States, the Constitution, the American people . . . Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to **fulfill their oaths** – to summon **forthwith** for proper trial all those named herein who collaborated in the plot to repeal the CONNALLY AMENDMENT.

"WORLD COURT" Tract

~~U. S. A.~~

ABOLISHED
BY
DECISION
OF
UN WORLD COURT!

That is what will happen if the CONNALLY AMENDMENT will EVER be repealed ! ! !

★ ★

The **CONNALLY AMENDMENT** is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government ! ! !

★ ★

To Save Our Country, we must

IMPEACH

All those who attempted – **and are still plotting** – to repeal the CONNALLY AMENDMENT . . . read – **and digest** – the following and you will see why it is a MUST.

62-87267-323

1

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT — but particularly to transform the United States into a unit of that One-World Government . . . **because as long as the United States remains free they can never achieve their plot ! ! !**

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER **without reading it!** Why? . . . We don't know — **but that is how it was done!**

In that CHARTER the conspirators inserted several crafty provisions — provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT — and to transform the U. S. into a unit of that "government" . . . **without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out ! ! !**

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", **answerable only to the UN,** is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices — **all appointed by the UN, without approval by the U. S.** . . . Ostensibly, this "Court" was to have jurisdiction **only** of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal — in short, of all our Domestic affairs, as well as Foreign — **and there could be no appeal from its "Decisions" ! ! !**

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in Paris, or in Bombay, by a Tribunal designated by the "World Court" — and he could not appeal to **our** Constitutional Laws—or be defended by an American lawyer — **and the United States could do nothing about it** . . . and GET THIS: the jurisdiction of the "World Court" would include . . . **"the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter"** . . . and, of course, **criticism** would be an "offense" ! ! !

And there you are — that's why, once we'd be engulfed, **by "World Court" DECISION,** in the UN One-World Government we could never pull out . . . **who would dare to commit the "offense" of protesting?**

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" — and on December 17, Congressman Herter (now Secretary of State) submitted a similar "Resolution" to the House . . . **and again the Senators were about to ratify that "Resolution" without reading it!**

But, by the grace of God, Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, **via the future "DECISIONS" of the UN's "World Court" ! ! !** And, **in the nick of time,** he quietly insisted upon the addition of **six little words** that were to protect the United States from the "World Court" future "DECISIONS" — those **"six little words"** were : . . . **"as determined by the United States."**

And THAT is the Connally Amendment . . . **it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".**

Yet, our President, Dwight D. Eisenhower, DEMANDS that the Connally Amendment, **our only safeguard,** be repealed . . . Vice President Nixon, U. S. Attorney General Rogers, Secretary of State Herter and Senators Morse, Humphrey, Javits and Clark demand that it be repealed — **that the "UN World Court" be granted full and COMPULSORY jurisdiction over the U. S. and the American people ! ! !**

Well, REMEMBER THIS WARNING: If the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then . . . **in order to give the UN the "POLICE FORCE" it will need to enforce PEACE** . . . there will be more "World Court" DECISIONS that will require **(polite word)** the U. S. to transfer **(surrender)** our Armies, our Navies, our Air Force our Nuclear weapons to the UN . . . **exactly in line with Eisenhower's "Disarmament" program** — and his plans to **"strengthen the United Nations" ! ! ! . . . And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — the end of a free United States** and a FREE American people!

Dwight D. Eisenhower KNOWS all that — Nixon, Rogers, Herter, Morse, Clark and Humphrey KNOW it . . . they KNOW that they are betraying their oaths to protect and defend our Constitution — that they are betraying the American people . . . **they KNOW that repeal of the Connally Amendment will open the gates of America to the Enemy,** exactly as Quisling opened the gates of Norway to Hitler's Nazi hordes . . . they KNOW that it is TREASON —

Dear Mr. Hoover,

I have seen a small pamphlet entitled "Red Stars # 3" - The Reds are back in Hollywood, published by the Cinema Educational Guild Inc.
P.O. Box 46205
Hollywood 46, California.

This pamphlets advocates not patronizing the reds by attending their movies and watching their TV programs and by not buying products of sponsors.

About two hundred names of Hollywood stars and producers are listed on this pamphlet, including the name of Chet Huntley. The pamphlet states these 200 are among the most rabid reds and fellow travellers, although there are many more in Hollywood.

I know nothing of the Cinema Educational Guild Inc. Could you kindly tell me of the authenticity of this publication and these names. All proof of their activities the pamphlet says is documented with the Un-American activities committees of State and Congress.

Thank you very much for your help in this and for the outstanding work you are doing.

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960
RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deli[illegible] created dissensions and hatreds between [illegible] and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars — **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**. . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep [illegible] to Hollywood . . . and once again our theatre [illegible] are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!**— and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—and **are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Ou[t]

Read the following list . . . They are th[illegible] known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — **and warn them** — so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

It is noted that some issues of this pamphlet have included a statement that the procommunist record of the individuals named therein is documented in the files of the FBI. It may interest you to know that the Cinema Educational Guild, Incorporated, Hollywood, California, and its national director, Myron C. Enclosed is some material concerning the general subject of communism which may be of interest to you.

Dear Sir:

Recently two booklets have been used in the seventh grade here in Hugoton, Kansas that ask: 1. Impeachment of Supreme Court Justices Warren, Brennan, Black, Clark, Douglas, Frankferter, Harlan and Reed as giving help to Communists 2. Drive Reds out of T.V. and Radio.

According to the booklets the worst of the sponsors of Communist programs are: Ford Motors, Kraft Foods, General Electric, Chrysler and W. S. Steel. There is also a list of 200 actors, writers, directors etc. who are called communists.

The booklets are published by:

Cinema Educational Guild Inc.
P. O. Box 46205
Hollywood, California.

For the sake of some confused twelve and thirteen year old children and their parents, would you care to comment on either the booklets or the company that prints them?

Yours very truly,

The following enclosed add has been appearing in our local paper. I am a mother, and school teacher and would like to know if information recieved from the "Cinema Ed. Guild" is reliable. Is this a communistic front?

May I also know about the publications of "Soulcraft Fellowship, Inc." Noblesville, Indiana.

These publications seem to be well known here and I am interested in knowing if they are communist mouth-pieces.

Thank you.

UNICEF

Do YOU Know What That Array of Initials Stands For?

It would be worth your time and effort, you parents who send your children out on Halloween night as professional beggars for the United Nations Children's Educational Fund, a cause utterly alien to your own Ideals, despite the maudlin come-ons that assail you from every angle, including many pulpits, to learn the truth about U.N.I.C.E.F.

Of eighty odd governments supposed to be underwriting UNICEF, the United States contributes more than 80% of the funds, with Russia's contribution amounting to but a promise. Yet the following Communist countries received the following amounts: Albania $325,000; Yugoslavia $18,200,000; Czechoslavakia $5,600,000; RED CHINA $3,500,000; Bulgaria $5,500,000; Hungary $2,000,000; Poland $19,000,000; and Romania $7,000,000.

The combined total of the contributions of the above named countries to UNICEF totaled $314,722.00.

Do you suppose that these funds, siphoned from the earnings and savings of tax ridden Americans are ever going to find their way to any suffering child anywhere, under the circumstances of their administration, with communists administering?

For additional damning documentation of the United Nation's agencies' subversive activities promoted through press and pulpit, order Bulletin No. 77, priced at 50 cents, from:

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant–drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE: A more complete list, with their **documented** backgrounds, their techniques, their RED FRONTS, and other invaluable information can be found in "DOCUMENTATION OF THE RED STARS", by Myron C. Fagan. You can get a copy of this **sensational** book by sending $1.00 to "Cinema Educational Guild, Inc."

This tract (RED STARS No. 3) can be obtained at the rate of: 100 copies for $2.00 . . . send your order to:

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-268

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all** the **named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**... they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**—and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Dear Myron C:

I have just caught up with my work to where I opened your August, last, bulletin.

I have paid into your fund some time back which your records no doubt show.

I have kept up with your views to some extent since my very first connections with you & your efforts.

To day, however, Myron, it is my very firm contention that you are operating in reverse.

You are doing a fine job of playing into communism and not against it.

I choose you to think these words over seriously.

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-265

ISM . . . and still other films that **deliberately created** dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all** the **named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry–it chased Charlie Chaplin out of the country–it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises–they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**... they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM–ONE-WORLDISM–DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**– and all the honors, **including the "Oscar"**, have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room–**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!–by **shunning** the theatres that show the REDS–by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once–you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately–and WARN him that if he will bring another RED into your Living Room you will never again buy his products–**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Although I would like to be of service, information in the files of this Bureau must be maintained as confidential and available for official use in accordance with a regulation of the Department of Justice. I am precluded, therefore, from furnishing you the information you have requested.

SUBJECT: Mrs. ELDA BEIRNES

Seattle 4, Washington
RESEARCH (CORRESPONDENCE AND TOURS)

Rebulet to Seattle 10/13/60.

On 10/19/60 Mrs. ELDA MAY BEIRNES, Apt. 119, 1019 Terry, Seattle, Wash., was interviewed as suggested in rebulet. Mrs. BEIRNES stated that she had written to the Director after receiving a leaflet from some unknown woman in Seattle on or about 9/5/60. According to Mrs. BEIRNES, this leaflet had been prepared by the CINEMA EDUCATIONAL Guild, Inc., whose director was listed as MYRON C. FAGAN, and she stated that this leaflet attacked the United Nations and the fact that the United States was part of the United Nations.

Mrs. BEIRNES related that she met this unknown woman at a hat show sponsored by a women's organization connected with the Washington Athletic Club, which is an exclusive and prominent social organization in Seattle. She continued that she had never met this woman before and has not seen her since this one occasion, at which time this unknown woman suggested that Mrs. BEIRNES read the leaflet and at the same time stated that the director of the Cinema Educational Guild, Inc. had been "cleared through the FBI and was OK." Mrs. BEIRNES claimed that she spent no time with this unknown woman and, therefore, could furnish no further information relative to her identity.

Mrs. BEIRNES was told that the FBI, being a fact finding agency of the U. S. Government, has not and does not grant or issue clearances or evaluations of any persons, organizations, or publications and has not done so in the case of the Cinema Education Guild, Inc. or MYRON C. FAGAN. Mrs. BEIRNES was also told that if one should make such a claim as having been cleared by the FBI, the statement would definitely be in error and the person making such a statement was either not telling the truth or was grossly misinformed.

Dear Mr. Hoover,

I would like to know if the enclosed tract is authentic. This is very important as I am a school teacher and in my teachings against Communism I used this in a class room and because of it I have been stopped from teaching anything anti-Communistic unless the literature I plan to use is first proven authentic and approved of by the school board.

The county attorney had this action taken by the school board because he claims this tract is not authentic. Some people believe the people named in this tract are our finest American citizens and that this tract was published by the Communist party in order to destroy our better American citizens.

I would certainly appreciate any information you can give me concerning this matter and whether you think anything should be taught in the public schools concerning Communism.

RESEARCH (CORRESPONDENCE AND TOURS)

Enclosed are two copies of a letter received from Mrs. Elda Beirnes, 1019 Terry, Seattle 4, Washington, which are self-explanatory. You are instructed to contact Mrs. Beirnes, orally acknowledge her letter and advise her that this Bureau, being strictly a fact-gathering agency, does not issue clearances or evaluations of persons, organizations or publications, and has not done so in the case of Myron C. Fagan or his organization.

For your information only, the Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. In the past, Fagan has attempted to use my name in furtherance of his programs and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner.

You should make every effort to learn from Mrs. Beirnes the identity or whereabouts of the woman who claims she checked with the FBI regarding Fagan, and she should be interviewed. The confidential nature of our files, the fact that we do not issue clearances of any type and the illegality of anyone using the name of the FBI for purposes of advertising without proper authorization should be brought emphatically to her attention.

Submit results under above caption to reach the Bureau no later than 10-24-60.

As a matter of policy, I cannot recommend any publications or books to you; however, you will find in your local library many good books pertaining to the communist menace.

This Bureau does not publish a list of subversive organizations, but a list of organizations which have been cited by the Attorney General pursuant to Executive Order 10450 may be obtained by writing to the Subversive Organizations Section, Internal Security Division, U. S. Department of Justice, Washington 25, D. C. Since we do not compile such a list, I cannot comment on its publication in newspapers. I am enclosing some material regarding communism, together with the leaflet you forwarded.

We have received numerous identical leaflets, therefore, a copy is not being kept in Bufiles. This Guild is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic leaflets. Its national director, Myron C. Fagan, has attempted to use the Director's name in furtherance of his program, and it has been necessary on several occasions to request that he refrain from mentioning the FBI in any manner.

Dear sir:

A friend has just dropped by and has given me the enclosed pamphlet. Would you please return it to me with the information if this is a true and qualified brochure?

I am all for being informed and vigilant, but I do not want to become a hate-monger when I do not know what these people are guilty of. If you do have information that you feel we should have, I would appreciate it. Also a list of qualified reading material would be appreciated.

Mr. Hoover, I hope that you realize how much the American people depend on you and your staff. We cannot know the facts about so many things. Would you be so kind as to recommend a factual, unbiased newspaper and monthly publications? If I believed one publication, it would be in conflict with others. Which canwe depend on?

Also, sir, it has occurred to me; would it be possible for all newspaper publications to publish daily or weekly all subversive organizations? I do not know which are or aren't, and I am sure that most people in our country do not. If you could send a list of the organizations and participators, it would be greatly appreciated.

Mr. Hoover, I am not doing this to instigate hatred; but to be informed when people made broad statements such as "bothF.D. Roosevelt and Eleanor were Communists"

Thank you for your kind attention.

Very sincerely,

/s/ Alma R. Johnson

Dear Mr. Hoover:

Help with the following problem would be greatly appreciated.

Recently a great deal of Anti-Communism literature has been disseminated here in Indianapolis, starting, I believe, with the passing out of it at the recent Indiana State Fair, which took place the last of August and the first week of September.

One piece, in particular, entitled "The Reds are Back in Hollywood", is a blanket indictment of more than 200 of Hollywood's most publicized actresses, actors, writers, producers, etc. Undoubtedly the Bureau's files contain a copy.

If the pamphlet is true, it should be a cause for great concern on the part of every patriotic American. If on the other hand, it is false, it is certainly a "smear campaign" of the highest order.

According to the pamphlet, all statements in it can be verified through the records of the House Un-American Activities Committee.

The publisher listed on the pamphlet is: <u>Cinema Education Guild, Inc.</u>
P. O. Box 46205
Hollywood 46, California

The records of the House Un-American Activities Committee are certainly not easily available to the average citizen, if they are available at all. Thus it appears that the only remaining way to judge the truth of the accusations is to investigate the relative merit of the organization making them.

I know you are very busy, and do not have time to grant personally all requests for information that come to you. However, I would greatly appreciate it if you would ask someone in the Bureau to send me what information you have at hand regarding the above-named organization.

Many of my neighbors have seen, read and discussed the same pamphlet,

Dear Mr. Hoover,

I have recently been sent various circulars by an acquaintance who has been anxious to enlighten me on the Communist conspiracy in this country. I am enclosing a few of them because I would like you to pass judgement on them for me. I want to know if they represent the truth in all instances, or if they represent the truth in some instances and distort others. I would like to know if the organizations printing them are recognized patriotic institutions with America's best interests at heart. You will not have to return them to me, but just tell me if I am to believe them or not. You seem to be one of the few incorruptible organizations in this country and I respect your decisions.

I would appreciate a very quick reply to my letter, so that if these documents are true, I can subscribe to them and circulate them among my friends and acquaintances. Thanking you most gratefully, I remain....

Yours truly,

Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General – **or a Julius Rosenberg.** For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For **their** acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle – **or that was meted out to the Rosenbergs!**

—•—

Only Congress has the power to place a Supreme Court Justice on trial – via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress **to fulfill their oaths** – to summon forthwith for proper trial all those Justices who collaborated in those three treason-packed "Decisions".

—•—

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

CO-DEFENDANTS

Also wanted for trial and impeachment, **on the same charge,** are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites **– and thus mongrelize the American White Race!**

Documentary proof that this "Decision" **directly** conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 .... the ADL and NAACP were created immediately after that – **to carry out that DIRECTIVE!**

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union .... it contained implicit assurance that the "revolt" would be supported by all American Reds .... on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that – **"Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law ...."**

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND ! ! !

Furthermore, **by his own admission,** Warren ignored our Constitution when he wrote that "Decision" – admits he based it on the **"modern scientific authority"** of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? .... There is one sure way to find out – **through impeachment proceedings!**

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots – and unmasked the plotters ... it was the information in the FBI files that enabled the Congressional Committees to function – that enabled the Justice Department to convict the Rosenbergs and all the other Reds .... it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI – **and to gain access to its files!** But it (FBI) was invulnerable to all their attacks – it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence – **if the Great Conspiracy was to succeed the FBI had to be destroyed!**

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" – the "Jencks" and the "Watkins" Decisions .... Those two "Decisions" shatter the FBI as a barrier to the security of our nation .... they freed convicted traitors .... they muzzle our Congressional Committees ... they nullify **all** our protective laws against the Communist Conspiracy .... **they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!**

Those **three** Decisions, **if allowed to stand,** will completely destroy all of our defenses – **they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!**

Under our laws, giving aid and comfort to an

decision in San Francisco . . . **Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."**

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about **rights" and "terms of the Charter"**: Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — **he also confirmed its permanency!** After that, says Mr. Lie "**. . . it would not have been politic for me to resist that (secret agreement) accord.**"

He then reveals what little authority he had in all such matters, even in the **choice** of the Russian to fill that all-important post, although, **under the Charter,** he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "**his was not to reason why, his was but to obey** — OR GET FIRED!

WE NOW HAVE THE PROOF ! ! !

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—**evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "**the people**" DEMAND that they act — and the people won't DEMAND until they know **what** to DEMAND. Senator Jenner said: "**Our problem is to get the story to the people**" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — **coupled with Tract No. One!**

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

Do it now — TODAY — you may forget if you put it off to tomorrow.

1959 - UN TRACT No. 2 - 1959

THE TRUTH... ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" **to prevent Communist aggression** (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, **they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee!** GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGESSIONAL RECORD", and demanded that the UN be hauled up for a thorough **(open to the public)** hearing by the properly constituted Congressional Committee – and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get **"the people"** to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we **quoted** sections of **"U. S. Government (TOP SECRET) Bulletins"** which OFFICIALLY confirmed all those charges . . . **Those TOP SECRET Bulletins** confirmed that the UN gave MOSCOW'S Gen. Vasiliev a **"leave of absence"** from his UN job as Chairman of the UN Military Staff – TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins **PROVED that ALL** the American boys who died in Korea were MURDERED by the UN – **as a result of that Hiss-Molotov secret agreement ! ! ! . . .** they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

Very quickly a half-million copies of that "Tract" were circulating through the nation – thousands upon thousands came pouring into Washignton . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken – they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable – **and that would mean the end of the UN ! ! !** . . . And then the State Department came to the rescue of the Conspirators – they issued an **"official statement"** in which they denied our charges – and virtually proclaimed that their own original **"U. S. Government (TOP SECRET)** Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts – **and the State Department** – flooded the nation with that false and misleading **"official statement"!**

Now, get this point: in their denials, those **"official statements"** never once **named** the "charges" they denied – they operated on the theory that if they could cast a doubt on any one charge it would discredit **all** charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce **DOCUMENTARY evidence that such an agreement had ever been made!**

That strategy worked perfectly! **And why not?** After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS – surely **they** wouldn't be guilty of deliberate falsehoods! **Oh, no?** Anyway, "the people", **confused,** believed **them.** The demands (Tracts) for a Congressional investigation died down to a whisper – the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them–to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov – Stettinius and Vyshinsky – and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit – **maybe to clear his conscience.** Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement – the following is his **(verbatim)** statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' – he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "**. . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won**

mation, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — **and 145,000 American boys were maimed and MURDERED in Korea ! ! !**

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: **"Our problem is to get the story to the people" . . . .** the people, only **the people** can FORCE Congress to act.

U.S. Government (TOP SECRET) Bulletins provide

DOCUMENTARY PROOF

that

UN is PLANNED DEATH - TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . **"All the American Boys who were killed in Korea were really murdered by the UN."**

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . . it was produced in Washington so as to put the UN on **open trial** before all the Members of Both Houses of Congress — from now on there can be no **"I didn't know" alibis!**

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U.S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" . . . . to brainwash our Youth through UNESCO . . . . to drain us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Synghman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . . so Alger Hiss and Molotov entered into that secret agreement — **with Trygvie Lie in on the secret!**

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?

"STEFAN: — Exactly! That's what happened in Korea, General MacArthur was Commander-In-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Visiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . . **"If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"**

The UN did **not** file a libel suit . . . **they didn't dare** . . . . because **their own records** show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post **continuously** from 1945 to 1951 . . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same **UN records** show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him **sole** command of all UN military affairs! ! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) **"Special agreements under article 43 of the United Nations Charter"** (marked **"TOP SECRET"**), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . . and (under UN Regulations) **"all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations"** . . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

and avoid the temptation to psychoanalyze students individually or collectively.

We do not say that all psychiatrists are subversives. We do say that those doctors dedicated to curing the mentally ill should hasten to disavow the Left-wing policies and ulterior motives so obviously pursued by many of their state and national organizations.

We do not say that Povl Bang-Jensen committed suicide. We do say that he was murdered.

We do not say that present Sec't. of Defense Gates is a Red agent. We do say that various past actions on his part require lucid, honest explanations if he wishes to command the public's respect and trust once again.

We do not say that Bethesda Naval Hospital is crawling with subversives. We do say that it is a sensative spot and a fine-tooth investigative comb would be a wholesome thing. (Only lice fear a fine-tooth comb).

We do not say the present Mental Health program has a few defects. We do say the whole program is riddled with dangerous faults serving the purposes of world communism.

OUR PROGRAM

Mental Health fund-drives have great popular support. Repeat the truth about what it is. Disenchant the public.

Attend P.T.A. meetings and suggest that a copy of all non-curricular tests given students be made available for the parents to review. If the motion is not carried, organize a group of parents, enlighten them, and make the proposal a fighting goal. (25¢ a copy: "Christian Guidance vs. Secularism," a critical analysis of psychological methods currently used in schools. Addressed to Catholics, but of universal interest and value. Order from The Wonderer, 128 E. Tenth St., St. Paul 1, Minn.)

Hon. Edgar Hiestand, California Republican, has introduced a bill which calls for Congressional investigation of Mental Health programs. Write to him at the House Office Building, Washington, D.C., in support of this bill, H. Con. Res. 145.

Read and pass along these books: *Brainwashing* by Edward Hunter and *The Freudian Ethic* by Richard LaPiere.

FOOTNOTES

Deputy Commissioner of Mental Hygiene in New York State is Hyman Forstenzer, who was identified as a Communist Party member in a June, 1956 report of the Senate Subcommittee on Internal Security.

Last year, a New York teen-aged drug addict died of hepatitis and the M.D.'s theorized that the condition was introduced into the body by a hypodermic needle. Sen. McCarthy died of hepatitis and he had received many injections at Bethesda. This is admittedly far-fetched, but no more so than the Liberal's conclusion that, since hepatitis may be caused by alcoholism, the Senator drank himself to death.

We might turn waggish with Liberal defenders of Mental Health programs and tell them they see mentally disturbed children under every bed and imagine that our government has card-carrying schizophrenics in high places. "We like the Mental Health people but we can't approve of their methods." No, that will not do for a motto; we don't even like the Mental Health people.

Compromise with injustice is the lowest form of tyranny.

September 1960 Subject: Mental Health

ITS AIMS

Our Mental Health program is principally financed from the three-billion dollar budget of the Department of Health, Education, and Welfare (DHEW). What are the purposes of the Mental Health program and its champions? "By their works you shall know them." The aims are to turn America Freudian and to gain extraordinary control over the American people via moral disarmament.

Our own tax money is used by DHEW to tell us that religious inhibitions must be shed when they disturb the personality, that those who see a threat from internal subversion are often "paranoid," that children subconsciously hate their parents, that most feelings of guilt must be driven off as the result of unworthy external conditioning, etc., etc. The entire Freudian ethic constitutes a religion, or an anti-religion, and it might be properly suggested that the present DHEW Mental Health adventure is in violation of separation of Church and State.

Certainly, everyone regards mental soundness as a blessing. But, it does not follow that everyone must regard Freud as a hero or must consider justified the granting of absolute power to the Freudians.

ITS METHODS

"Ring the bell for Mental Health." The drive is on to have us all hoist our ids high on the flagstaff of One Worldism for the champions of bureaucratic, internationalistic centralism to cure us of religion and patriotism. Benevolent reticence on our part presents a challenge to the Mental Health people. So, they turn to school children.

Children are less likely to take exception to the importunities of the Freudians and are more apt to accept without challenge their doctrine of moral weakness. Questionnaires and pamphlets pour into our schools, therefore. The questionnaires have their inquiries phrased in such a way as to suggest certain attitudes and conclusions to the students. The pamphlets are elementary courses in Freudian psychology.

When we attack the school questionnaires, we are NOT fighting valid I.Q. or Aptitude Tests. Rather we are opposing so-called Psychological Testing in the schools. These psychological research surveys, with their probing inquiries, are very similar to those used on children by the Reds in North Korea and China. It is time to inform every student that he should not answer any questionnaires including references to religion, home life, sex attitudes, political exposure, and the like. It is time to inform every parent that unauthorized psychological tests are illegal. Experimental probes into the minds and souls of our children are dangerous; especially so when we consider the moral policies of those who formulate the questions and accumulate the information. When young people fill out these tests, they expose themselves to Freudian inferences and they supply all the information necessary to an enemy planning to brainwash a generation.

An example of the Mental Health pamphlets designed to "help" our young people is "How to Live With Parents" by Gladys Gardner Jenkins and Joy Neuman. It is one of many published and distributed by Science Research Associates, Chicago. This pamphlet tells students that they must not feel guilty over the urge to rebel against parental authority: "Revolt against parental ties and authority is a very natural thing for young people, and a healthy sign that they are beginning to mature."

After reading all the solutions given to young rebels --- "understand the problem," "talk things over," "adjust to the situation" -- we can only wonder what happened to the best solution of all, "Honor thy father and thy mother."

"How to Tell Your Children About Sex" by James L. Hymes of the California Society for Mental Hygiene has been distributed to parents at P.T.A. meetings. This gem of Mental Health advises that pre-school (ages 2 to 5) children be given complete descriptions of the procreative act. And it concludes, "You may worry that, once children know, they will want to play out intercourse. Some experimentation may go on ... some trying out is a very human characteristic." God's Commandments have some answers to this, too, but we hesitate to quote least they take us all away for shock treatments.

The great subversion of American morals is being intensified. Children are the victims, we are the financiers, and Mental Health is the front organization.

ITS HISTORY

Hon. Usher L. Burdick of North Dakota spoke in the House of Representatives on June 13, 1957. He quoted a speech of the late head of the Russian Secret Police, Lavrenti P. Beria. Speaking at Lenin University to a class of "American," Communist psychiatrists, Beria advised: "You must labor until we have dominion over the minds and bodies of every important person in your nation. You must achieve such disrepute for the state of insanity and such authority over its pronouncement that not one statesman so labeled could again be given credence by his people. You must work until suicide arising from mental imbalance is common and calls forth no general investigation or remark."

Thus, Mental Health did its part when Povl Bang-Jensen was found dead on November 26, 1959, in a Long Island park. Two New York psychiatrists volunteered the information the next day that Bang-Jensen was depressed and showed suicidal tendencies. In 1957, Bang-Jensen had written in a memorandum, "...(the Reds) might have decided that it is necessary to risk having me disappear out the window, or similarly, in 'a fit of depression' ...under no circumstances would I ever commit suicide." Notwithstanding the assurances of Povl Bang-Jensen, the psychiatrists succeeded in having their theory popularly accepted.

A more obvious example of the workings of the enemy through Mental Health is found in the story of Robert A. Winston, Captain, U.S.N.R., who wrote a book, *The Pentagon Case*, under the pen-name of "Colonel Victor J. Fox." While employed as a Special Assistant on the staff of former Under Secretary of the Navy Thomas A. Gates, Winston came upon clear evidence of collusion with known Communists by senior U.S. officers on active duty. He submitted a report on his findings. Winston was fired and contradicted, but not until an Assistant to Mr. Gates had tried to hide him under a Mental Health blanket.

The Assistant Secretary called Winston into his office and told him solicitously: "You've been under a great strain lately, and we want to help you. The Navy's Surgeon General, Admiral Hagan, is waiting outside in my car. He'll personally go with you to Bethesda Naval Hospital where you will receive the finest medical treatment they can provide." The offer was turned down, of course. The Surgeon General had never even seen Capt. Winston. Yet, he called on the Captain's brother and diagnosed the psychiatric condition. It was an attempt to have Robert Winston's brother sign commitment papers; the attempt failed. This whole affair was aired before the Senate Internal Security Subcommittee. (The Subcommittee counsel had cautioned Winston: "Don't go near Bethesda Naval Hospital under any circumstances. If you do, they will 'railroad' you.")

During the TV hearings in which the late Sen. McCarthy opposed the Pentagon and Sherman (Goldfine) Adams, the fighting Senator tried to visit Gen. Lawton of Fort Monmouth who was a patient at Bethesda. He was told that the General was under a *mental strain* and could not be seen. Sen. McCarthy himself later died at the Naval Hospital. It was an untimely death, as was that of Sec't. of Defense James Forrestal, in the same institution.

The history written by the Mental Health crowd has been one of subversion of truth, disregard for human rights, and repeated association with Communist causes.

OUR CONCLUSIONS

We do not say that government has no right to be concerned with the mental welfare of its people. We do say that the U.S. government has no right to allow DHEW to apply tax money for fostering of a philosophy that represents nothing in our traditional way of life.

We do not say that parents should run our schools. We do say that schools should TEACH

(INTERNAL SECURITY)

Re Tampa letter to the Bureau dated 9-30-60 captioned "Cinema Educational Guild, Inc., Hollywood, California, IS - X."

The Cinema Educational Guild, Inc., (CEG), has not been investigated by the Bureau. However, our files reveal that the CEG was organized in January, 1948, in Los Angeles, California, and has as its National Director Myron C. Fagan. The CEG address in 1957 was listed as P. O. Box 46205, Cole Branch, Hollywood 46, California.

The CEG is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. The Bureau has received numerous requests from individuals who have received pamphlets distributed by the CEG requesting information as to the legitimacy of the organization. Fagan has attempted to use the Director's name in the past in futherance of his programs, and it has been necessary on several occasions to contact him and request he refrain from mentioning the FBI in any manner. He was most recently contacted on 5-31-60 concerning a reference to the FBI in a pamphlet which he was preparing for distribution.

Mr. J. D. SINDAD, Route 1, Box 57, Maitland, Fla., on 9/26/60, contacted the Orlando RA and advised as follows:

He is a Post Commander of American Legion Post #19 Orlando, Fla., and presently serves on the Executive Committee of that post. Recently a member of this post handed to him two printed tracts which the member found in his car parked at Orlando, which tracts are issued by "CINEMA EDUCATIONAL GUILD, INC., P. O. Box 46205, Cole Branch, Hollywood 46, California."

These tracts purport to be anti-communist in their text, and call upon American citizens to refrain from patronizing communists by keeping them off TV, off the radio, and off the movie screen. They tend to praise the Connally Amendment as the United States' only safeguard against the International-Communist Conspiracy's "World Court" plot to transform the U. S. into an enslaved province. They call upon this country to impeach all those who attempted, "and are still plotting," to repeal the above amendment.

The tract points out that these tracts can be obtained at the rate of 100 copies for $2 by sending an order to the above guild.

The Bureau and Los Angeles Office are requested to furnish the Tampa Office with any pertinent background information regarding this guild.

Dear Mrs. Payan:

The letter from you and your husband dated September 23, 1960, and enclosure have been received.

Although I would like to be of service, information in the files of this Bureau must be maintained as confidential and available for official use in accordance with a regulation of the Department of Justice. I am precluded, therefore, from furnishing the information you have requested. I can advise you, however, that the pamphlet you mentioned has been brought to the attention of the FBI on a number of occasions, and as you indicated, a statement is made therein to the effect that subversive tendencies of certain individuals you named are documented in our files. It may interest you to know that the Cinema Educational Guild, Inc., Hollywood, California, and its national director, Myron C. Fagan, who released this pamphlet, have never had access to information in the files of the FBI in the preparation of any material they distribute.

Enclosed is some material on the general subject of communism which may be of interest to you.

Sirs:

My husband obtained a small pamphlet entitled, "The Reds are back in Hollywood" NO. 3. In this booklet there are the names of 200 famous television, movie stars, and writers, directors, producers, and composers who are supposed to be Communists or following the Communist idea.

At the bottom of this pamphlet it says, "The pro-Communist record of every individual named in this list is 'documented' in the House un-American Activities Committee, in the Calif. State Senate Fact-Finding Committee, the FBI and other Government investigating Agencies."

My husband and myself are writing this letter to your Agency to find out if the names on this list are actually real Communists or followers of the Communist idea. If they are not, then we shall be glad to destroy any of these pamphlets we may find and stand up for the rights of these people.

If what is printed in this pamphlet <u>is</u> true then we feel that we, the public, should know what type of person we, and our children are looking up to and pay our money to see.

Enclosed is a copied list of the 200 names from the pamphlet. We would very much appreciate an answer to this inquiry.

Thank You Very Much

Dear Mr. Von Dohlen:

Your letter dated September 22, 1960, with enclosure, has been received, and the interest which prompted you to write is indeed appreciated.

While I would like to be of assistance, the FBI is strictly an investigative agency of the Federal Government and does not furnish evaluations or comments concerning the character or integrity of any individual, publication or organization. I can advise, however, that the pamphlet mentioned by you has been brought to the attention of the FBI on a number of occasions. Some issues of this pamphlet have included a statement that the procommunist records of named individuals are documented in the files of the FBI. The Cinema Educational Guild, Inc., Hollywood, California, and its National Director, Myron C. Fagan, have never had access to information in the files of the FBI in the preparation of any material distributed by that organization.

In view of your concern about communism, I am enclosing some literature which may be of interest to you.

Gentlemen:

I am herewith enclosing a pamplet that came to my desk, evidently printed by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California.

I do not propose to know anything about the accuracy of the statement. I certainly would not want to be prejudiced by an article of this kind. However, if this be true about these persons whose names are listed here as Communists, then they should be dealt with severely for either we deal with the Communists or they will deal with us should they get in charge of our government and the ~~only~~ way to let them get in charge is to ignore them for they are certainly aggressive.

Information of this kind in days like this has a very stirring effect upon me as it should have on every American citizen. We have got something in America if we will protect it, but we can also lose it by default of our responsibilities.

Yours very truly,

W. A. Mays

Gentlemen:

Copies of the enclosed pamphlet were handed out at a Women's Association meeting at church yesterday, and my wife brought one home in disgust.

You will note that on page 3 Marxism is linked with one-worldism and desegregation. I would suppose that these latter two items are what the pamphlet is really protesting, and I suppose, too, that most of the names listed have had some connection with the idea of one world and desegregation. But I find it hard to believe that Edward R. Murrow, for instance, is listed in the files of the House Un-American Activities Committee as a pro-Communist.

Doubtless some of these names have had some association with Communism, but all of them? ....Well, what really is the poop on this pamphlet?

Sincerely,

R K MacDonald

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive **them** out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960
RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway—**and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all the named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**—and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room—**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—**and then fulfill your warning!** . . . Give this Tract to your **Grocer,** your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD! ! !

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and **all** the **named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry–it chased Charlie Chaplin out of the country–it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises–they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names**. . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM–ONE-WORLDISM–DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the Charlie Chaplin pictures are on the Screens again!**–and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room–**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!–by **shunning** the theatres that show the REDS–by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once–you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately–and WARN him that if he will bring another RED into your Living Room you will never again buy his products–**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood – Radio –Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !
